Terrible!Von Nadine ClaudiusTruly terrible. So bad I didn't read until the end. The books in this "beautiful" series are

really weird. Some are great (player, stranger). Others are so bad you wonder if they were written by the same person. The character of Niall is so appallingly written, not even remotely British sounding. There is no character development and the humour in some of the other books is completely missing. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A blast - as always! Von Rudi Rapp I really loved each and every book in the Beautiful-Series (well some were a bit short, but..) but this one is something else. I chucked it down in one go. Its just got everything and more you like in a good romance/smut-book. Lovable and charismatic protagonists, hot sex or very hot non-sex (without spoiling) scenes you just dive in with your imagination and funny and witty conversations. Christina Lauren-books are never cheap but theyre worth every penny. And the book ends at 100%. Some are willing to learn ;) Loved the book and youll agree!!

Thousands of miles from London, its easy for the lovers to play pretend. But when the trip is over, will the relationship theyve built up fall down? Pressestimmen Mmmm delicious awkward, nervous hero. Part of the reason I really enjoyed this book is that its absolutely laden with UST. A lot of time in New Adult the sex happens so fast that a lot of the tension fizzles out. Beautiful Secret does a remarkable job of keeping the sexual content heavy (all Laurens books are pretty damn hot) while keeping the tension high. (Smart Bitches, Trashy Books on Beautiful Secret) The thing that I love the most about Christina Lauren and the duos Beautiful books is that there is always humor in them. As well as hot steamy moments and some of the sweetest I love yous. (BooksSheReads.com) "The perfect blend of sex, sass and heart, Beautiful Bastard is a steamy battle of wills that will get your blood pumping!" (S.C. Stephens, bestselling author of Thoughtless) Filled with plenty of hot sex and sizzling tension. Romance readers who love a smart plot are in for an amazingly sexy treat! (Myra McEntire, author of Hourglass) "Beautiful Bastard is the perfect mix of passionate romance and naughty eroticism.
