Kurzbeschreibung Successful restaurateur Lucien Black's blue-green eyes and unattainable attitude drive women wild. But his abandonment issues and criminal past have left him emotionally closed off. When a familiar face shows up for a job interview at his nightclub, the ache he has tried to forget tears at his heart: it's the girl who once healed him and then abandoned him. Darcy MacBride still remembers Lucien's delicate touch when they were both wildly in love teenagers. His gorgeous eyes had soothed her hurt after she'd been dumped off at the orphanage where Lucien lived. Darcy felt his jagged edges fit perfectly into her own, and she'd planned to spend the rest of her life with him until a mysterious man warned her away. Now, fourteen years later, she's ready to endure the torture of Lucien's indifference and having him as her boss just to be near him. But when it seems that they might finally take up where they left off, a devastating secret buried in their past threatens to tear them apart again. L.A. Fiore's story of smoldering love recaptures the tormented romance of *Beautifully Damaged*.
