Von K.C. LYNN : Beautifully Insightful (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Beautifully Insightful (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Must read!!!Von Maike NeumannMost. Beautiful. Book. Ever. I loved and enjoyed every second of it! So different from what I expected, better and more beautiful than I imagined a book could be! I just love the amazing characters, the

beautiful and thrilling plot (which kept me awake all night) and the wonderful way it was written! It's perfect!

KurzbeschreibungEmily Michaels lives a life of privilege and prestige. Shes been afforded luxuries that most girls dream about but its only attributed to her lonely existence. Due to her disability, Emily doesnt feel like she belongs in the elusive world shes grown up in. That all changes her senior year when she meets Ryder Jameson, the tattooed bad boy who takes her breath away with a simple touch. A boy her parents would never approve of due to his lack of wealth and social status, but that doesnt stop her from being with him.Ryder makes her feel beautiful in a way no one else ever has. For the first time in her life, Emily finally feels like she belongs. Until the day her world comes crashing down, destroying the one chance she had at being happy.FBI agent Ryder Jameson has been given the opportunity to run one of the largest undercover operations of his career. The case that gets tossed in his lap will take him back to the town he swore he would never return to and to the only girl who has ever mattered to him. Ryder plans to not only bring down the corruption that has poisoned his hometown but he will also take back the one girl who was stolen from him when he was just seventeen years old.Ryder and Emily come from a world where politics separates them and wealth defines them, but they will not let it divide them. This is their story.KurzbeschreibungEmily Michaels lives a life of privilege and prestige. Shes been afforded luxuries that most girls dream about but its only attributed to her lonely existence. This is their story.ber den Autor und weitere MitwirkendeK.C. Lynn is a small town girl living in Western Canada. She grew up in a family of four children two sisters and a brother. Her mother was the lady who baked homemade goods for everyone on the street and her father was a respected man who worked in the RCMP. Hes since retired and now works for the criminal justice system. This being one of the things that inspires K.C. to write romantic suspense about the trials and triumphs of our heroes. K.C. married her high school sweetheart and they started a big family of their owntwo adorable girls and a set of handsome twin boys. They still reside in the same small town but K.C.s heart has always longed for the south, where everyone says yall and eats biscuits and gravy for breakfast. It was her love for romance books that gave K.C. the courage to sit down and write her own novel. It was then a beautiful world opened up and she found what she was meant to dowrite. When K.C.s not spending time with her beautiful family she can be found in her writing cave, living in the fabulous minds of her characters and their stories.
