Von Penny Reid : Beauty and the Mustache: A Philosophical Romance (Winston Brothers Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Beauty and the Mustache: A Philosophical Romance (Winston Brothers Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Geht

so Von P. Bohn Die Handlung ist gewohnungsbedrftig (will jetzt nichts verraten) und die Hauptfiguren verhalten sich meiner Meinung nach ziemlich unlogisch bzw. nervig. Es gibt ja Bcher, bei denen wrde ich die Figuren gerne mal in echt treffen - hier bestimmt nicht. Hatte es gekauft, weil im Titel was von "Knitting in the city" stand - naja, sie strickt zwar ein bichen, aber verschwindend gering. 1 von 1 Kunden fanden die folgende Rezension hilfreich. As long as Penny writes, I read... Von Lotte This series is good. Sooo good. And I can't believe it gets better with every book. Although I have to admit that Janie and Quinn are and will certainly remain my favorite couple, Penny knows how to pair them - Ashley and Drews story is witty and funny and awkward and romantic and sad and heartwarming and just right. I know those are fictional characters and all - but while reading with a stupid smile on my face - because of the hilariousness of every word - I just feel like part of that crazy group of people. And then, I look up from my iPad and think "oh, I'm here, not there." I just hope Penny never stops writing... 0 von 0 Kunden fanden die folgende Rezension hilfreich. Long-awaited, worth every minute Von fishbone Book no. 4 is here, finally! Penny Reid starts with a fulminant description of female revenge gone wrong in a way that is so descriptive I can see the film running in front of my inner eyes. Each book of the knitting-series has its own unique moment, and she has a knack with tranporting a dense atmosphere across to the reader- those special scenes are always so intense you really feel you can see them. And although the special moment of this book is right at the beginning- it gets even better. What can I say- all her fans will read it anyway, but those who are new to this series- beware! I bet you will read this book in two nights flat out- walk zombie-like through your working day waiting for closing time to return your kindle for the next night of stealthy reading by light of the autoluminescent screen- it will pull you along the story towards the finale in a reading frenzy until you reach at the end with the feeling of: oh, finished already? Mrs Reid is a true pro in light reading- her style flawless, the plot is dense, sometimes so odd that it feels like taken from real life, the characters all have their own personalities and show evolution, the contents touch all emotional levels from hilariousness to despair and everthing in between- the steamy scenes are never dirty, the dialogues feel authentic, I never feel like she is filling space with commonplace phrases.... I'll stop waffling on, sorry for my verbosity, it is most likely from lack of sleep (guess why)- I wish more ladies will join the knitting circle so I can read book no. 5 whenever it's ready. Thanks to the author for another great read!

Kurzbeschreibung This is a full-length novel, can be read as a standalone, and is the fourth book in the 'Knitting in the City' series. There are three things you need to know about Ashley Winston: 1) She has six brothers and they all have beards, 2) She is a reader, and 3) She knows how to knit. Former beauty queen, Ashley Winstons preferred coping strategy is escapism. She escaped her Tennessee small town, loathsome father, and six brothers eight years ago. Now she escapes life daily via her kindle one-click addiction. However, when a family tragedy forces her to return home, Ashley cant escape the notice of Drew Runous local Game Warden, bear wrestler, philosopher, and everyones favorite guy. Drews irksome philosophizing in particular makes Ashley want to run for the skyscrapers, especially since he cant seem to keep his exasperating opinions or his soulful poetry, steadfast support, and delightful hands to himself. Pretty soon the girl who wanted nothing more than the escape of the big city finds shes lost her heart in small town Tennessee.
