he's watching Ians obsession Von Volker Barth Amazing! after kirsten McCurran wrote the story from the female side (emily) now Kenny Wright tells the same story from Ian's position. both author's did a great job. the story is absolutely believeable! they are the very best autors. i hope they will write another story together again. what about letting ray beeing transferred back to emily's company? will she fall for him again? will she tell Ian? will she cheat on Ian this time? will Ian fall for his obsession again? everyone should read this story from both authors!!

Kurzbeschreibung Ian Broadfield wants to watch his wife sleep with another man. Call it a fantasy, a passion, an obsession--whatever, but Ian cant stop thinking about Emily being with someone else. Not after discovering her innocent flirtation with her coworker Ray. Not after hearing that Ray thinks Emily is the hottest chick in the office. And especially not after Emily confesses that Ray tried to kiss her at happy hour. As things heat up between his wife and her younger coworker, Ian wonders how much he can take. Jealousy tangles with excitement. Thrill overrides common sense. And Ian cannot stop--will not stop--until hes driven Emily into another mans bed. If you read Kirsten McCurrans Because Hes Watching, now is your chance to experience the tale of wife-sharing and extramarital adventure from the husbands perspective. If you havent, welcome to Ians world--to Ians obsession.

ber den Autor und weitere Mitwirkende I'm just a guy who writes what I like to read: steamy, explicit erotica that's just crazy enough to be true. I write romantic erotica. I write about characters that I like, and endings that feel natural. I write stories where husbands watch their wives get naughty. I write about MILFs and erotic games and loss of innocence. I believe in a world where men read and appreciate erotica, and hope to contribute to it word by word. Liked what you read? Have an idea for something else? Drop me a line.
