more fun
Von Mina
In the last years, I've read my fair share of YA that included some high school for the supernatural, teenage angst and overall weird teenage behavior. And since I'm way older than that, my guilty pleasure more often than not ended up being some strenuous reading and me being annoyed instead of entertained. Well, *Becoming Alpha* is not totally free of the stuff that is a pain, but it is mostly fun and enjoyable. 17 year old Tessa is considered a weirdo in her LA life, with no real people close to her but her brother and parents [her brother Axel is darling, by the way, and yet cool]. Whenever Tessa touches something, or worse someone, she gets visions and immediately knows way too much about them. So not only her free movement is limited, she really is lonely. When her parents trade LA for a Texas small town, Tessa is thrilled but things go differently there than she imagined. Firstly, she's accidentally bitten by some hot werewolf guy and not only finds herself a sudden member of the local werewolf high school, but she also has to find out that there are a lot of things that go bump in the night. And that vampires do not sparkle, but stink awfully rotten. And Tessa's reaction to all the weird stuff that gets dumped on her head not too tenderly is mostly very sane and a great fun to read. Yes, she is seventeen and at times reacts that way, but she is neither some Mary Sue, nor throwing stupid tantrums. I totally like her. And additionally do I like her family and the inevitable soul mate. But what I appreciated the most was the way Tessa shook the werewolf world by being an Alpha [and something else] and telling each and everybody what she thought of them. I admit I relished her just brushing away Alpha commands. So yes, I'll definitely read the rest of the series, because Alpha is an example of paranormal YA done pretty well.

Von ConnyKathsBooks
Tessa Mc Caide ist ein besonderes Mdchen - da sie von einer langen Hexenlinie abstammt, kann sie nur durch Berhren von Personen deren Gefhle und Gedanken empfangen. Verstdlich, dass diese unkontrollierbaren Visionen ihr Leben nicht gerade einfach machen. Ein Umzug ihrer Familie von Kalifornien nach Texas soll Tessa einen Neustart ermöglichen. Doch dann trifft sie den Werwolf Dastien und nichts wird mehr so sein wie es war. "Becoming Alpha" ist der Auftaktband einer spannenden Geschichte rund um die St. Alibe's Schule fr Werwlfe. Tessa, ihre beste Freundin Meredith und ihr mysteriser Lehrer und Love Interest Dastien Laurent mssen gemeinsam zahlreiche Abenteuer bestehen. "Becoming Alpha" liest sich gut, in leicht verstdlichem Englisch; zwar eher etwas fr die jngere Zielgruppe und fr Twilight Fans, doch da ich gerne wissen mchte, wie es mit Tessa weitergeht, habe ich mir auch den zweiten Band "Avoiding Alpha" zugelegt.

Es ist ein wirklich spannendes Buch von der ersten bis zur letzten Seite. Echt empfehlenswert. Das Buch hat keinen Cliffhanger, geht aber sicherlich irgendwie weiter. Man knnte aber auch direkt danach aufhren. Wobei ich gespannt bin wie es weitergeht...

Kurzbeschreibung
One stupid party. One stupid boy. One stupid kiss. And my life was virtually over. Tessa McCaide has a unique talent for getting into trouble. Then again, it isn't easy for a girl with psychic visions to ignore what she sees. Luckily Tessa and her family are leaving California and moving halfway across the country, giving her the perfect opportunity to leave her reputation as Freaky Tessa behind. But Tessa doesn't realize that kissing the wrong guy in her new Texas town could land her in far more trouble than she ever imagined. Like being forced to attend St. Ailbes Academy, a secret boarding school for werewolves. Even if the wrong guy did accidentally turn her into a shapeshifter and doom her to attending the weirdest high school ever, Tessa can't help her growing attraction to the mysterious Dastien Laurent. When vampires attack St. Ailbes and her visions pinpoint an enemy in their midst, Tessa realizes that boy drama and her newfound canine tendencies might just be the least of her problems.

THE ALPHA GIRL SERIES
1. BECOMING ALPHA
2. AVOIDING ALPHA
3. ALPHA DIVIDED
4. BRUJA
5. ALPHA UNLEASHED
6. SHATTERED PACK
7. BEING ALPHA -- Releases February 13, 2018

This is absolutely one of the most amazing books of 2013! Paranormal YA at its best. It doesn't matter if you're an adult or Young Adult. You will love this one. Paranormal Cravings Blog
