AMAZING!!!Von TaylorvilleLove, love, love this series. Ruth has done it again! It's lol funny, romantic, has all the

previous characters in there which is a plus. I have to say, this is my favourite of the first 3. I love Jake and Lil. They're so good together and Colby adds to the whole book! I can see it all happening in my mind as Colby does certain baby things!! Amazing!

Lil Dartleys life is upside down. Her previously steadfast and predictable sister is marrying an influential billionaire and needs help planning the wedding of the century in less than a month. Years of middle class rebellion have not prepared Lil for handling billionaires or paparazzi. Jake Walton knows a train wreck when he sees one. Lil was trouble from the first day he met her, but since her sister is marrying his best friend, he has no choice but to help her or this wedding will be in the news for all the wrong reasons. Keeping Lil safe would be a whole lot easier if she didnt drive him crazy both in and out of the bedroom.
