Bianca @BJsBBMy Thoughts:Book #14 - and we finally get to hear about Sam and Dellina We already met them in the previous book/s and I was really looking forward to hearing their story.It's summer in Fool's Gold!Last Valentine's Day, Simon (who has the worst luck with women) meets Dellina in a bar (she never had a one-night-stand before - but this former football star would be totally worth it)They go back to Dellina's place and spent some amazing hours together - but when Simon gets up to get something to drink he accidentally walks into the spare bedroom, which is full of wedding dresses and an erase board with notes about how to get a guy to propose! Oh no, not again, he thinks and runs away! He's been caught in the clutches of insane women before.But of course it's not as it seems - Dellina just stores those dresses for her friend Isabel and the Proposal-Board is her sister's Now, 5 months later - after trying to ignore each other in town all that time - they have to work together to organize Simon's company's clients-retreat in 4 weeks time.The attraction is still there - lots of sparks - but Simon's been hurt before - a lot - and Dellina doesn't want anything serious.Next to Simon's and Dellina's romance we also read about Dellina's sister Fayrene and her not-yet-fianc Ryan. She told him she wanted to wait 4 years to get married - but now she's changed her mind, but she doesn't know how to tell him - she wants him to propose, but he wants to respect her wishes to wait... a very frustrating situation for everybody Then there's the tiny little side-story of our Mayor Marsha travelling to New Zealand - and ski-pro Kipling Gilmore - who happens to be there too.... what does the Mayor want with him??? She probably has some interesting plans for him in Fool's Gold But of course the main focus of the book is about our really sexy Football-Kicker Simon and Event-Planner Dellina.....There might be some kisses - but they both don't want more....or do they??? WILL THE TWO OF THEM GET THEIR HEA???NOPE..... I'm not telling you I don't want to spoil anything!!!\_\_\_\_\_I REALLY LOVED THE BOOK!!!It's probably not a secret anymore that I loved all the Fool's Gold books - I would be happy to have a new Fool's Gold book every month for the rest of my life! And book #14 was just as great as all the others Sexy Simon and cute Dellina and all our old friends - and the new/future ones too Simon's family is amazingly funny too!!!! His mom is hilarious!!! Totally over-the-top sexually inappropriate I laughed sooo much!And of course it was a bit frustrating - you always want to hit them all over the head with a blunt instrument!!! Why don't they see they belong together right at the start?? It always has to take them the whole book to get it right But I loved every page of that journey!I wish someone would turn Fool's Gold into a TV-Series!!!Should I ever be reborn when I die - I want to be a Festival in Fool's Gold A few pages of the book were not written in Simon Dellina's POV - at first it was a bit weird - but then I got used to it - I was really interested in what Fayrene and Kipling had to say!Can't wait to hear his story!!!But the next book is about ex Quarterback Jack and his assistant Larissa I can't wait to see what they have in store for us GO AND BUY BEFORE WE KISS... it's the perfect Romance:with the right amount of SEXiness, Romance, FUN, frustrating scenes, moving moments like all of SUSAN'S books = JUST PERFECT 0 von 0 Kunden fanden die folgende Rezension hilfreich. Dellina+ Sam- eine Susan Mallery, wie ich sie liebe.Von JanananaManchmal beginnen und enden Liebesgeschichten mit einer dummen Idee oder einer dummen Aktion. Bei Sam und Dellina traf beides gleichzeitig zu. Es war nur ein One-Night-Stand fr beide, aber Sam's Flucht am Morgen danach macht die Sache auch nicht einfacher. Immerhin lebt man in Fool's Gold, das nicht gro genug ist um sich aus dem Weg zu gehen.Letztlich findet Dellina selbst heraus, was Sams panikartige Flucht ausgelst hat. Der Raum voll mit Hochzeitskleidern muss es gewesen sein und vielleicht auch die Tafel ihrer Schwester, auf der steht wie sie ihrem Freund rumkriegen mchte ihr einen Heiratsantrag zu machen.Beides nicht unbedingt die besten Dinge, die man einem Mann zeigen sollte, der gerade eine ziemlich schlechte Scheidung hinter sich hat, und dessen Ex-Frau die Welt gerade mit einem Buch beglckt, das ausfhrlich ber das Eheleben mit dem ehemaligen Footballstar Sam Ridge berichtet.Wie dem auch sei, die beiden mssen sich zusammenraufen, denn Sam muss fr die seine Firma einen Wochenendtrip mit den Geschftskunden und ihrem Familien planen und Dellina ist nun mal die einzige Eventmangerin in Fool's Gold....Dieser Roman gehrt meiner Meinung nach wieder zu den besten, die Susan Mallery in der letzten Zeit geschrieben hat. Scheinbar ist wieder in ihrem eigenen Groove, um Geschichten zu schreiben, die langsam wachsen und nicht gleich Knall auf Fall in die Story plumpsen. Es gibt da einige Bnde, da kann man schon fast von absolut realittsferner Entwicklung schreiben.In diesem jedenfalls gibt es - wie in dem Band davor - endlich wieder menschliche Hauptfiguren, die nicht Elefanten anschleppen, sondern nur durch das normale Leben kommen wollen. Auch sind smtliche Szenen dieses Buch realistisch nachvollziehbar - vielleicht bis auf die Osterparade als Hasen.Aber wir befinden uns schlielich in Amerika, was alleine schon an der Art wie Sam's Eltern beschrieben werden klar wird. Sam's Eltern sind Autoren und schreiben Bcher ber Sex in der Ehe, genauer gesagt Tantralsex zwischen Ehepartners. Natrlich haben die beiden erfolgreichen Autoren darin Erfahrung und die entsprechenden Videos dabei. Beides wird im Buch eher in die Schmutzdecke geschoben, statt einfach nur dargestellt. Da ist Amerika eben prder als Europa, wobei im ersten Land wohl die meisten Pornos produziert werden. In Deutschland wrde man mit den Schultern zucken und ihnen ihren Spa lassen.Was mir besonders gefllt ist Susan Mallery's Schreibstil. Man fhlt sich schnell mit den Hauptcharakteren verbunden und durchleidet mit ihnen gemeinsam die Hochs und Tiefs. Man wohnt quasi selbst fr gewisse Zeit in Fool's Gold, solange das Buch dauert.Das ist auch das einzige Problem, die Bcher enden einfach zu schnell. Denn so schnell will man gar nicht mehr gehen und seine Freunde verlassen.Die Buchserie um Fool's Gold ist meiner Meinung nach absolut zu empfehlen, auch wenn sie bereits im 14 . Band vorliegt. Ein Einstieg lohnt sich noch immer , aber man sollte sie in der Reihenfolge lesen.0 von 0

Erzahlt, ber Menschen, die ihre Vergangenheit bewltigen und durch Liebe wieder zu neuem Glck kommen! Diese Geschichte handelt von Sam, einem Football Star, der Enttuschungen erlebt hat und dadurch das Vertrauen in aufrichtige Liebe und Dellia, einer Event Planerin die frh ihre Eltern verloren hatte und fr ihre beiden Zwillingsschwestern sorgen msste, wie sie verliebe und ihre Zweifel und ngste berwinden, Ein Buch zum Schmunzeln, zum Lachen und ein bisschen sentimental sein!

Kurzbeschreibung New York Times bestselling sensation Susan Mallery returns to Fool's Gold, California, where it's true that sometimes you have to kiss a few frogs Former pro-football kicker Sam Ridge has notoriously bad luck with women - from cheaters to fame chasers. Still, the gorgeous brunette at the bar in Fool's Gold looks harmless - until she takes him home and he discovers a room devoted to securing a man, for life. Dellina Hopkins never guessed that storing gowns from a friend's bridal boutique would chase away her first and only fling. After her parents died, she skipped her "wild youth" to raise her sisters. She doesn't want forever from Sam, but one night - all night - would've been nice. His clean getaway gets messy when his firm hires Dellina to plan an event. As long hours lead to late nights, the two succumb to temptation again. Has Sam's luck finally changed? Or this time, will Dellina be the one to run?
