make mistakes, mistakes don't make the people. Von Heike Corinne Michaels Beholden Salvation Series Book 2 Book 2 in the Salvation series, it picks up where Beloved ended. I started it right after I finished Beloved and loved this book even more! It's filled with angst, fun and love. I love the banter between Corinne and Jackson characters. Corinne writes with lots of emotions and passion, her books are fascinating. People make mistakes, mistakes don't make the people. Beholden is a beautiful book I highly recommend it to everybody! 0 von 0 Kunden fanden die folgende Rezension hilfreich. The conclusion in the Belonging Duet leaves you crying and laughing and with a big WOW! Von Cassandra It starts with such a sad event that you have to put the book down already and you are just a couple pages into it. It also leaves you wondering how they got to that point so you get back to reading. Jackson is severely injured and fighting for his life. Even after everything that happened, when Mark calls Cat she doesn't think twice and flies to Germany. To see him, to say goodbye? But without question will she stay by his side. During that time she and Mark become good friends and she realises what these two have been through bonds them in ways she can't even grasp. He knows Jackson like no one else and can already predict that he will be a dick and hopes he won't ruin everything. A mysterious statement that doesn't make sense at the time. Back in the States Cat doesn't hesitate to move in with Jackson to help him as best as possible. Also she has to deal with the new product launch for Raven. Between everything emotions and patience are tested and strung tight. It has you on the edge and wondering when it will crash. In all this Neil and Piper are trying to break her as well. When a press conference reveals some major secret, a secret obviously everyone around Cat knows, her world crashes big. Once again her love life is a big mess, but her career is growing. She gets the promotion she worked so hard for, but not in New York. Will a change of place bring a new perspective? Jackson is a mess after everything. Feeling helpless and frustrated after all his injuries, he can't run after her like he wants to. So he has to find new ways and he's desperate to romance her in every way possible. Can he get through to her? It's a funeral that brings them back together...for one night and one night only, right? Or is it a start to a new chapter? Jackson and Catherine are going through a great character development that only makes you love them more. Her close friends are there to kick asses and give some of the most emotional speeches that leave you sobbing. Nothing in this story is predictable and leaves you wondering if they will truly get their HEA. Corinne Michaels definitely became an automatic one-click-author with her the Belonging and the Consolation Duets. She's such a talented author that evokes so many strong emotions while reading her books. Her stories are unpredictable and addictive. And even the side characters are strong characters. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Tolle Liebesgeschichte Von reader Das erste Kapitel strzt den Leser gleich in ein Gefhlschaos: das kann doch nicht wahr sein. Und so geht es weiter. Tolle Fortsetzung der Geschichte, es macht Spa zu lesen.

Kurzbeschreibung Book two of two in The Belonging Duet I tried resisting him. I fought to ensure history wouldn't repeat itself. In the end, Jackson and I knew he would win. He broke down my walls, obliterated every excuse, and made me love him against all odds. Then he shattered my heart into thousands of pieces. I can't let him back in. It was hard enough surrendering my heart the first time. If he hurts me again, I'll never survive. No matter what he thinks, we're beholden to our past.
