**Von Meghan March : Beneath This Mask (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Beneath This Mask (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A great readVon Jen RBeneath This Mask was a better read than I was expecting. The synopsis just sounded okay to me, but I really was drawn into the story right from the start. Yes, Charlie could be annoying at times, but she was written in

such a way that I still liked her and enjoyed her story. Charlie is hiding from her past. Her father is in jail for fraud and the FBI is looking for her as they think she might know something. Instead of sticking around she ran. She changed her name, tries to make sure people don't get too close to her and hopes no one will find her. She is now working at a tattoo parlor and has some ink herself. Really she changed her look so much in the hopes that no one will realize who she is. Plus she likes the tattoos and such. She feels like she can't tell anyone who she is or be in the spotlight at all as her father messed everything up. Simon is the son of congressman and just starting his own political career. He is ex-military and still has a few issues there that he doesn't want anyone to know about. I really enjoyed reading him. He is such a great guy. He likes Charlie, wants to get to know her and see where it will lead, but Charlie knows she should stay away. It would be in his best interest if they didn't start anything, but she also doesn't want to stay away. She has been hiding for so long and he is so sweet. When she offers him one night he refuses. Sure he wants her, but he wants more than that. He was a really great guy and perfect for Charlie. The two of them have a lot of secrets between them, but Simon is not one to give up easily. He knows Charlie is keeping stuff from him, but that doesn't stop him from falling for her. He was such a sweetheart and really dealt with her ups and downs well. She is just afraid of letting him in and what will happen when he finds out who she really is. She doesn't want him to leave her which he very well could do if he ever found out her secrets. She is still running even if she is standing still. Eventually she has to decide if it is worth it, if Simon is worth it, and if she is ready to really trust him. I will say I really enjoyed this story especially what happened when her identity is revealed. This was not the simple everything is okay, no worries, nothing happens story. It felt more realistic even if because of circumstances it wasn't as bad as it could have been. Charlie is not always the smartest and I liked that she struggled a bit and had to learn from her mistakes. It was a really great read and I am looking forward to reading the next in the series. This review was originally posted to Jen in Bookland0 von 0 Kunden fanden die folgende Rezension hilfreich. Charlie and Simon Von Rin Hayashi I really enjoy how Meghan March manages to capture the feelings of the protagonists. Charlie runs away and thinks to stay under the radar, hasn't figured in feelings though. Simon ignores his past until he finds something worth fighting his demons for. To read how these two interact, how Constantine (Charlie's boss) knows more than he lets on and how in the end everything turns out predictable but in a manner that was not quite expected (on how it unfolds) is quite interesting and makes me read it again from time to time. (I'd love to have more on Charlie's mother in it though. Too bad there isn't much on that in it. The backstory seems quite fascinating.) Two minor things that bug me: 1) When a person is injured, showering without making sure the wound is taken care of not to open again is stupid. It had been nice if there had been a short instruction to the one injured or some more thoughts than "ouch, I stretched". 2) Most women wear the wrong bra-size. DD is not big (5 inches difference is not that much if you consider that there are sizes in the UK where 10-12 inches are a size you can shop at Bravissimo and Debenhams without any trouble). So the remarks are a bit disconcerting when thinking about who reads it. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Eines meiner Highlights 2015 Von To catch a falling book Nachdem sie mit einer Aussage vor Gericht ihren Vater wegen Veruntreuung und Betrugs hinter Gitter gebracht hat, taucht Charlotte Agoston unter. Sie verlässt New York mit nichts außer einem Rucksack, um so der Presse und dem FBI, das auch sie fr verdchtig hlt, zu entgehen und irgendwo anders ein neues Leben zu beginnen. Ein Jahr spter begegnet Gemeinderat Simon Duchesne in New Orleans Charlie Stone. Er ist vom ersten Augenblick an von der zierlichen, ttowierten, jungen Frau mit dem riesigen Hund fasziniert. Whrend sein ambitionierter Vater Simons zuknftige Karriere als Politiker plant, lernt er Charlie nach anfnglichen Missverstndnissen besser kennen. Doch was verbirgt sie vor ihm? Ich habe wieder einmal einen Glckgriff getan und ein Buch gefunden, das wie fr mich geschrieben ist. Neben einem komplexen, sympathischen Heldenpaar gibt es eine interessante, sehr gut geschriebene Geschichte, die ich ungern und nur wenn es wirklich sein musste, aus der Hand gelegt habe. Titel und Cover passen perfekt zum Inhalt, was zeigt, dass auch Wert auf Details gelegt wurde. Charlotte ist wie eine Prinzessin aufgewachsen; es fehlte ihr an nichts; sie hatte alles, was sie wollte. Bis ihr Vater und seine illegalen Machenschaften aufflogen. Als Charlie hingegen hlt sie sich mit zwei Jobs ber Wasser. Ihr Aussehen hat sie radikal verndert: Aus rotblonden Locken werden pechschwarze mit roten und violetten Strhnen; die Arme sind ttowiert; die Intimzonen gepierct. uerlich erinnert nichts mehr an die Person, die sie einmal war. Bewundernswert fand ich allerdings ihren Charakter: sie ist stark, loyal, unverblmt, taff. Ihr altes Leben hat sie ohne mit der Wimper zu zucken aufgegeben, auch wenn die Grnde dafr viel-leicht eigenntzig sind. Dass ihr Flucht nicht fr immer ist, ihr bewusst, denn sie bereitet sich darauf vor, im passenden Moment, dass Richtige zu tun. Im Gegensatz zu Simon hlt sie viel zurck; vertraut sich mit ihren Geheimnissen niemandem an. Das fand ich ein wenig unfair gegenber Simon, der sie bedingungslos liebt und auch an ihrer Seite bleibt, als alles den Bach hinunter geht. Simon Duchesne gehrt ab jetzt auf jeden Fall zu meinen Book Boyfriends. Er ist charmant, fordernd, sexy und tut nie das, was man erwarten wrde. Dass er im Ge-gensatz zu Charlie nicht blo ein sexuelles Abenteuer haben, sondern sie kennen-lernen will, steigert natrlich seine Pluspunkte. Er geht auch mit der Tatsache, dass sie ihm rein gar nichts von sich bzw. ihrer Vergangenheit erzht, im Groen und Ganzen relativ gelassen um. Wenn ich das so durchlese, klingt das jetzt nach einem Langweiler \*lach\* aber das ist er garantiert nicht, vertraut mir. Auf den ersten Blick scheinen Simon und Charlie nicht viel gemeinsam zu haben, aber dem ist nicht so. Ihre Beziehung ist turbulent; schon bald machen ihnen Miss- und Unverstndnisse das Leben schwer, aber das alles berstehen sie, um dann am Ende strker daraus hervorzugehen. Als Nebencharakter sticht

vor allem Con heraus. Er ist Charlies Boss, Freund mit gewissen Vorzügen und augenscheinlich kennt er Simon von früher. Was genau zwischen den beiden Männern geschah, dass sie sich nicht wirklich leiden können, wird allerdings nicht geklärt. Darauf hoffe ich in Band 2 - Beneath this Ink -, der sich um Con drehen wird. Ich finde toll, dass Charlie in New Orleans gute Freunde gefunden hat, allerdings nimmt Con dies sehr ernst, denn er spielt sich hin und wieder als großer Bruder und Besserwisser auf, vor allem, wenn es um Simon geht. Das liegt eher daran, dass er sie wirklich gern hat und nicht an Eifersucht, denn Con ist keiner, der sich fest bindet, sondern wandert von einer Frau zur anderen. Meghan March hat mit Beneath this Mask eines meiner ersten Highlights 2015 geschaffen, denn das Buch hat alles, was ich mir von toller Contemporary Romance erwarte: einen flüssigen, gut zu lesenden Schreibstil, interessantes Setting (New Orleans!), sich weiter entwickelnde, einzigartige, starke Charaktere, etwas Drama, sexy Dialoge und spürbare Anziehung. Eine wunderbare Geschichte über Vertrauen, Angst und Liebe. Ich habe das Buch vom Anfang bis zum Ende genossen und kann den nächsten Teil der Reihe gar nicht erwarten.

**Kurzbeschreibung** Are you ready to head to New Orleans? Fall in love with the sexy series readers call "deliciously addictive" and "binge-worthy" from USA Today bestselling author Meghan March. Former Navy fighter pilot. Son of a congressman. Successful businessman in my own right. With a résumé like mine, women have never been a challenge. Until I met her. This sexy, tatted-up bad girl wasn't part of my plans, but that punch to my gut every time I see her tells me I have to know more. She's a mystery. An enigma. A challenge. I'm going to figure her out and then I'm going to make her mine. We'll find out what she's hiding ... beneath this mask. \* \* \* Beneath This Mask is the first book in the Beneath series, but each of these hot contemporary romances can be enjoyed as a stand alone. Then again, why would you want to miss out on all the alpha heroes and the women who bring them to their knees? After all, there's something for everyone in New Orleans... Reading Order: Beneath This Mask (Beneath series book 1) Beneath This Ink (Beneath series book 2) Beneath These Chains (Beneath series book 3) Beneath These Scars (Beneath series book 4) Beneath These Lies Beneath series book 5) Beneath These Shadows Beneath series book

She's also impulsive, easily entertained, and absolutely unapologetic about the fact that she loves to read and write smut. Her past lives include slinging auto parts, selling lingerie, making custom jewelry, and wheeling and dealing in the world of corporate law. Writing books about dirty talking alpha males and the strong, sassy women who bring them to their knees is by far the most fabulous job she's ever had. She loves hearing from her readers at [meghanmarchbooks@gmail.com](mailto:meghanmarchbooks@gmail.com).
