Sometimes a bad boy is just what you need in your life and in your heartVon Peggy MBetter when hes bad is the first book that I read from Jay Crownover and I really enjoyed it.Shane Baxter is indeed a bad boy, no question about it. But just like Dovie I loved that about him!Jay Crownover certainly knows how to write a bad boy!When you are born in The Point and you grew up there, the chance is big that you will end up as a bad boy. Not many good guys survive

in The Point, Shane Baxters older brother is an exception, he became a cop but to do that, he had to leave The Point and his younger brother Bax behind. And without the guidance of his older brother Bax grew up as a wild, bad boy. Together with his best friend Race, Bax lived life at his fullest but they both knew that what they were doing was dangerous. But before they got a chance to go to the good side. Bax got arrested. At the time he choose to take the blame to protect his best friend Race but now 5 years later Bax wants answers. But its hard to get answers from someone who disappeared. Just out prison, Bax first job is to find Race but during his search for Race he finds someone else, Dovie Pryce. A young and innocent girl that has a connection with Race. The last thing that Bax wants is an innocent girl in his care, he just isnt used to good girls and he certainly doesnt need her right now in his life! But life isnt always about what you want. Something is happening in The Point and Dovie needs Baxs protection against the other bad men who are also searching for Ray. And those guys wouldnt mind hurting Dovie to get what they want. Its certainly not love on first sight but the more time they spend together the more Dovie and Bax get to know each other and get feelings for each other. But if theres one thing that Bax know is that The Point can be a very dangerous place and that tomorrow isnt always a guaranty! Their search for Ray and the truth about that night become more and more dangerous! Someone has to die, the question is only who will die?! Can Dovie trust Bax to do the right thing when the time comes to decide which side to choose? Or can you simple not trust a bad boy with your heart?! The story is told from Bax and Dovies POV what I really liked in this story. I liked the pace of the story, how the truth slowly got out in the open. The secrets, the unknown of who you could trust and who not but I especially liked Dovie and Bax together, the good and the bad, the ying and the yang. Yes, Bax is a bad boy but when you live in The Point you really need a dangerous guy at your side, someone, you know, who will protect you against the other dangerous guys out there. But Bax is more than just bad, hes also loyal, intelligent and he really cares about the people that he loves. Im always happy when the writer writes an epilogue and I got my wish here. Im really looking forward to reading the next story in this series.

Die Geschichte von Dovie und Bax ist vielschichtig, spannend und hot hot hot! Frau Crownover schafft es Dark Romances zu schreiben ohne den Leser mit Grausamkeiten en Masse zu berwltigen. Das ist ja oft ein Problem bei Dark Romances, dass man sich irgendwann fragt, ob man eigentlich noch ein Romance liest oder doch eher einen Thriller. Aber nicht in diesem Buch ! Sie schafft eine tolle und oft zwar auch dstere Atmosphre, aber alles immer in Balance und man fiebert richtig mit. Das Leben ist hart in "The Point" und Dovie und Bax sind mittendrin. Eines der Highlights ist die Charakterentwicklung und wie sich die Liebesgeschichte entwickelt. Einfach toll! Endlich mal wieder ein Buch ohne insta-love! Ich kanns echt nicht mehr ab! Das alleine ist schon 100 Sterne wert! Noch dazu der absolut spannende Plot! Gegen Ende gab es Wendungen die ich niemals erahnt htte! Genial! Kann den nchsten Band kaum abwarten und werde definitiv auch die andere Serie der Autorin antesten.

Von Tinka Ich bin ein ganz groer Fan der "The Marked Men" Serie von Jay Crownover (die ich an dieser Stelle ebenfalls nur weiterempfehlen kann) und insofern war auch der Auftakt zu dieser neuen Serie der Autorin ein Muss fr mich. Und ich wurde nicht enttuscht. Wie gewohnt ist die Liebesgeschichte abwechselnd aus der Perspektive der beiden Hauptcharaktere erzht, wobei man sowohl Dovie, als auch den mit allen Wassern gewaschenen Bax sofort ins Herz schliet. Obwohl zwischendurch sehr dster, schafft es Jay Crownover eine sehr gefhlvolle Geschichte zu erzhlen, mit lebensnahen Charakteren und einem spannenden Plot. Fr alle die schon den Marked Men verfallen sind, werden ihre Herzen ganz gewiss auch an die "bsen" Jungs vom Point verlieren. Ansonsten glit, wer bis jetzt noch kein Buch von dieser tollen Autorin gelesen hat, sollte das schleunigst nachholen. Ich freue mich schon jetzt auf die Fortsetzung "Better when he's bold" (Brysen Race), auch wenn wir auf die leider noch ber ein halbes Jahr warten mssen!

Kurzbeschreibung New York Times and USA Today bestselling author Jay Crownover returns with a heart-stopping new series Welcome to the Point. Theres a difference between a bad boy and a boy whos bad . . . meet Shane Baxter. Sexy, dark, and dangerous, Bax isnt just from the wrong side of the tracks, he is the wrong side of the tracks. A criminal, a thug, and a brawler, hes the master of bad choices, until one such choice landed him in prison for five years. Now Bax is out and looking for answers, and he doesnt care what he has to do or who he has to hurt to get them. But theres a new player in the game, and shes much too innocent, much too soft and standing directly in his way. Dovie Pryce knows all about living a hard life and the tough choices that come with it. Shes always tried to be good, tried to help others, and tried not to let the darkness pull her down. But the streets are fighting back, things have gone from bad to worse, and the only person who can help her is the scariest, sexiest, most complicated ex-con The Point has ever produced. Bax terrifies her, awakening feelings she never thought shed have for a guy like him. But it doesnt take Dovie long to realize . . . some boys are just better when theyre bad.
