Finally it's Zach's book!!!Von Claudia Polydorof[...]Finally its release day for Zachs book!It was impossible to forget Julians friends from Beyond the surface Specially Zach - his shy and quiet demeanor grabbed me from the start. I knew there had to be a sad story behind all his social awkwardness.We could see the sparks flying between Zach and Sam when

they met, especially because Zach had decided to be daring and act out on his attraction to Sam but after spending a great time together, Zach's insecurities resurface and he begins to doubt himself, so he grabs the first excuse and leaves Sam. Even spending only one night together, Sam was devastated when he realized Zach had left without even saying goodbye he really thought they had connected he really thought Zach was different from the guys of his past I wanted to smack Zach's head when he and Sam met again, weeks later and he acted like it was no big deal he had been thinking about Sam nonstop!!! But he finally took the chance and decided that this time he needed to be the one to take the first step and to persuade Sam into giving him another chance. From then on, it was really sweet to see Zach overcoming his past with Sam's support, and Sam opening up to life and love again. How cute to see them finally finding love, happiness and joy. Those two were simply made for each other, and I loved to see Julian and Nick again (You'll love to see them too, since they have a special appearance in the story hehehe). I had a great time reading it and can't wait for Marcus's time to finally find love!

Kurzbeschreibung A weekend fling in Atlantic City couldn't be more out of socially shy Zach Cohen's comfort zone, but a bet with his best friends forces him to put aside the humiliation he's hidden for years and step away from behind his computer screens and online world. When he meets Sam Stein, despite their spark, Zach expects nothing more than a night of passion and a kiss good-bye. Yet weeks later, he can't keep the man out of his head. After a split-second decision with tragic results ends his twenty-year police career at the same time as his relationship falls apart, Sam Stein is drifting through life. At his best friend's urging, he agrees to a trip to Atlantic City to clear his head. What Sam doesn't plan on is meeting Zach Cohen, whose sweet nature and honesty has him thinking maybe he could move forward, until Zach leaves him without explanation, reinforcing Sam's belief that people can't be trusted. Well-meaning friends refuse to let Zach and Sam hide from each other, forcing them to realize their weekend was much more than a one-night stand. Before that can happen, Zach must come to terms with his past and stand up for his own independence, while Sam has to learn to take a chance and believe in himself and people again. All bets are off when dreams become reality, and forever doesn't seem to be long enough.

ber den Autor und weitere Mitwirkende Felice Stevens has always been a romantic at heart. She believes that while life is tough, there is always a happy ending just around the corner. She started reading traditional historical romances when she was a teenager, then life and law school got in the way. It wasn't until she picked up a copy of *Bertrice Small* and became swept away to Queen Elizabeth's court that her interest in romance novels became renewed. But somewhere along the way, her tastes shifted. While she still enjoys a juicy Historical romance, she began experimenting with newer, more cutting edge genres and discovered the world of Male/Male romance. And once she picked up her first, she became so enamored of the authors, the character-driven stories and the overwhelming emotion of the books, she knew she wanted to write her own.
