I enjoyed it.Spencer is New York's notorious playboy and enjoys his lifestyle. When his father wants to close a business deal with a conservative man, Spencer asks his best friend Charlotte to be his fake fiance for a week. Charlotte agrees but ups the offer: she helps out Spencer and Spencer helps her out with a little dry spell she's been having the last 10 months. Sparks fly and things get hot and heavy.I almost didn't make it past the first couple pages since the author was laying it on thick. The characters stay a little one dimensional, are too perfect and their best qualities are their looks. But since the author lets the attraction ride on a little more than just looks it isn't too annoying. Generally everybody in this book seems to be a little too perfect.The story isn't much and predictable, but entertaining enough. All in all the plot isn't much more than the connection between various steamy scenes. Any reader who is looking for lots of those will enjoy this book.0 von 0 Kunden fanden die folgende Rezension hilfreich. In Ordnung, gibt aber bessere!Von KundeLeider musste ich mich am Anfang echt qulen das Buch zu lesen, weil es nicht mein Schreibstil war. Nach den ersten 100 Seiten hatte ich mich dann dran gewhnt und an sich ist die Geschichte sehr gut und das Ende rettet das Buch auch irgendwie.Aufgrund des groen Marktes an Erotik Bcher mittlerweile, sind es nur drei Sterne, weil es einfach bessere gibt, als dieses hier.Ich wrde es nicht weiter empfehlen.0 von 0 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungIt's not just the motion of the ocean, ladies. It's definitely the SIZE of the boat too. And I've got both firing on all cylinders. In fact, I have ALL the right assets. Looks, brains, my own money, and a big c\$. You might think I'm an as%*\$le. I sound like one, dont I? I'm hot as sin, rich as heaven, smart as hell and hung like a horse.Guess what? You haven't heard my story before. Sure, I might be a playboy, like the NY gossip rags call me. But Im the playboy whos actually a great guy. Which makes me one of a kind. The only trouble is, my dad needs me to cool it for a bit. With conservative investors in town wanting to buy his flagship Fifth Avenue jewelry store, he needs me not only to zip it up, but to look the part of the committed guy. Fine. I can do this for Dad. After all, Ive got him to thank for the family jewels. So I ask my best friend and business partner to be my fiance for the next week. Charlottes up for it. She has her own reasons for saying yes to wearing this big rock.And pretty soon all this playing pretend in public leads to no pretending whatsoever in the bedroom, because she just cant fake the kind of toe-curling, window-shattering orgasmic cries she makes as I take her to new heights between the sheets.But I cant seem to fake that I might be feeling something real for her.What the hell have I gotten myself into with thisbig rock?BIG ROCK is a standalone rom-com written from the guys POV by NYT Bestselling author Lauren BlakelyPressestimmen"Big Rock had me laughing one moment and fanning myself the next.
