**Von R.L. Mathewson : Black Heart (Cursed Hearts Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Black Heart (Cursed Hearts Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. nun ja, nicht schlecht.... aber kein 2. Lesen wert....Von missmorelliWer vorher die NfH Reihe gelesen hat, tut sich hier vielleicht etwas schwer, es sei denn man mag Bcher mit Untoten, Toten, Geistern u.s.w. Teilweise erinnert es mich an "The sixt sence". Ich bin kein Fan von paranormal-fantasy Bcher, vielleicht hat mich das etwas beeinflut..... Das Buch fing gar nicht schlecht an, hnlich der Neighbours from Hell - Reihe (ein Kotzbrocken, der sich dann letztendlich als

liebenswürdiger Kerl zeigt), obwohl ich die Teile etwas freaky finde mit den ganzen Toten die da erscheinen und Tristan verletzen, Knochen brechen, keifen, schreien, jaulen u.s.w. Der Schluß war dann, Tristan und Marty betreffend etwas hingemurkst m.A. nach. Trotz mehrmaligem nachlesen habe ich auch nicht ganz verstanden wie sie denn nun den "Fluch" gelöst haben und wieso letztendlich Shayne, Tristan und Marty als einzige erlöst werden, die anderen aber noch im "Schattenreich" bleiben müssen..... Etwas schräg, sorry.Natürlich hat das R.L. Mathewson wieder so geschrieben, dass man am Ende neugierig auf die Fortsetzung wird zwischen Shayne und Ashlyn..... Der Kerl nun angekommen in der menschlichen Welt hatte nun hunderte von Jahren keine wirkliche Frau mehr und hing jahrelang auf dem Sofa seines Bruders rum 24 h / am Tag Pornos verschlingend..... Das kann ja heiter werden. Vermutlich werde ich das aber wieder lesen, da ich Serien liebe und R.L. insgesamt einen sehr frischen Schreibstil hat. Vielleicht wird das 2. besser. Insgesamt ist dieses hier aber (für mich) nicht eins ihrer Glanzleistungen.

Kurzbeschreibung  
There was something seriously wrong with Marty. That was the only explanation that she could come up with. Why else would she feel this way for the biggest SOB in town? Granted, he was also the hottest man in town, but he was also arrogant, callous, and determined to drive her away even as he drove her crazy with his touch. She should just walk away from him and probably would if it wasn't for this connection that she always had with him that kept making her want more with the one man that couldn't give her anything more than heartache.He should have left and never looked back when he decided to finally do the right thing and push Marty out of his life, but instead he stuck around to torture himself by staying close to the one woman that he could never allow himself to have. She deserved better than him, better than the tortured existence that he led and better than the horrifying future that waited for him.  
Authors note: This book is different from my other series. It deals with ghosts and soul mates. You may not enjoy this book if you don't enjoy those subjects. Thank you, R.L.
