Von Vanessa North : Blueberry Boys (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Blueberry Boys (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. So sweetVon FelizThis book was romantic and gentle but had some pretty intense sex scenes. It was a quiet, poignant story about friends, family and identity... finding out who your are, who you want to be and who you're meant to be (with). Beautifully written, with multi-faceted, well-drawn characters. I liked them separately but even more as a

couple, they were perfect for each other.

Kurzbeschreibung Connor Graham is a city boy a celebrated fashion photographer in New York. When his uncles death drags him back to the family blueberry farm, all he wants to do is sell it as quickly as he can. Until he meets his uncles tenant farmer. Jed Jones, shy and stammering, devout and dedicated, has always yearned for land of his own and a man to share it with. Kept in the closet by his church, family, and disastrous first love, he longs to be accepted for who he is. But now, with his farm and his future in Connors careless hands, he stands to lose even the little he has. Neither man expects the connection between them. Jed sees Connor appreciates his art and passion like no one else in this godforsaken town ever has. Connor hears Jed look past his stutter to listen to the man inside. The time they share is idyllic, but with the farm sale pending, even their sanctuary is a source of tension. As work, family, and their towns old-fashioned attitudes pull them apart, they must find a way to reconcile commitments to their careers and to each other. * * * * * This is a standalone title from the author of Double Up and Rough Road enjoy! Word count: 46,100; page count: 186
