romance builds up slowly and is sweet. I also got the second book of this series. 3 von 3 Kunden fanden die folgende Rezension hilfreich. Loved it! Von AB This book made me happy! Many funny moments and great chemistry between the two main characters made this book a fun ride. The interaction between the socially incompetent doc Nora and loud mouthed cop Kelli had me laughing out loud in several places. Warning: Once you've finished this book, you will get drawn involuntarily to Rizzles fanfic and will have a hard time finding a Maura as good as the Nora in this book. Can't wait for the next one in this series. And the one after that 1 von 2 Kunden fanden die folgende Rezension hilfreich. Handlung? Charaktere? Von Koboldmaki Es gibt keinen sinnvollen, roten Faden. Die Handlung wurde um eine Rufmord-Geschichte konstruiert, die aber als blo nicht spannend ist. Die Charaktere sind berzeichnet, was nicht schlimm wre, wenn sie dabei glaubwrdig wren, aber das ist hier nicht der Fall. Es vereinen sich seltsame Eigenheiten mit unsympathischen Charakterzgen und am Ende sind alle sowieso nur traumatisiert und verstecken ihr eigentliches total nettes und liebevolles Ich hinter einer Fassade. Ich habe beim Lesen mehrfach einfach nur gedacht: H? Wer etwas "kriminalromantisches" sucht, ist hier falsch. Im Kino wre es ein schlechtes (!) B-Movie.

Kurzbeschreibung Kelli MacCabe is a no nonsense detective with a tough exterior. Only a select few know her as a loyal, loving friend. Committed to her family, her friends, and her job, Kelli puts her needs behind everyone else's. As a surgeon, Nora Whitmore is used to being in control. The hospital is her life and leaves room for little else. Respected by her colleagues, but misunderstood by the residents, Nora takes what she needs and keeps everyone at arms length. In the process, she creates unexpected enemies. Tragedy brings them together. As chaos grows around them, the lines between them begin to blur. Despite being from different worlds, friendship grows between them, turning quickly to attraction. Will these two strong, independent women find a way to deal with their individual baggage? Or will they be overcome by it? Kurzbeschreibung Kelli MacCabe is a no nonsense detective with a tough exterior. Only a select few know her as a loyal, loving friend.
