It was a funny and sweet story. There was just one point, I didn't like - the main characters were flawless (body, character, career, hair, faces, friends.....) - too much perfection here.... Still, I like to recommend this book!1 von 1 Kunden fanden die folgende Rezension hilfreich. ... an amazingly funny sexy adorably cute Romance!Von Bianca @BJsBBCan a guy and a girl ONLY be best friends??That's the big question for this story...Parker and her buddy Ben have been best friends for six years now, ever since they met their first year in college. The even live together.Parker has a boyfriend - Lance, and Ben is into serial casual sex.But when Parker and her long-time guy break up, she wants to try it Ben's way. But casual sex with

strangers isn't really her thing. But if done with the right person, it could be....and the right person might be Ben....But can they have an easy just-sex affair and still stay best friends forever??? And what if Lance wants her back suddenly? Or if Ben wants to give up his casual sex thing for the right person? WHAT WILL HAPPEN TO PARKER BEN? WILL THE TWO OF THEM GET THEIR HEA??? OR WILL THE SEX DESTROY EVERYTHING BETWEEN THEM? WILL THERE BE A HORRIBLE CLIFFHANGER? I'm not telling you that of course Ok - no Cliffhanger - and the HEA-chances are very good! _____ I LOVED IT! I really enjoyed this book! This was just what I needed for this hot summer weekend. A very funny and sexy and adorable best-friends-become-lovers romance! I just loved how Parker and Ben acted around each other - long before they had sex. Just like a married couple ... so you'd think it would make sense to take it to the next level... Oh - btw - Parker is a girl Took me a few seconds of reading to get that Of course it's not all that easy - it takes them a while from the first sex to their HEA - lots of misunderstandings and whatnots I LOVED IT!!!!!! BLURRED LINES was an amazingly funny and sexy and adorably cute Romance - proving that best friends can become lovers and have their happy ever after together - while still being BFFS! GET IT NOW - you'll soo want your own Ben after reading it!!!!!! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Ich liebe Ben. Von Minelli Das war das beste "Best Friends to Lovers" Buch das ich je gelesen habe. Und das obwohl ich geweint habe. Wirklich Ben ist der perfekte Mann. Einer der besten Bookboyfriends die es gibt. "some Mornings I would find him asleep against my bedroom door, almost as though he'd set up camp there to guard me in my grief" Ich habe ihn dafr geliebt. Seine Prioritten waren von Anfang an klar. Die Dynamik zwischen ihm und Parker war toll. Ich habe zwar Parker zwischendurch nicht verstanden aber Hauptsache am Ende ist alles gut :Dich htte mir den Epilog vllt. etwas lnger gewnscht, aber man kann ja nicht alles haben.

Kurzbeschreibung USA TODAY BESTSELLER In a novel thats perfect for fans of Alice Clayton and Emma Chase, Lauren Layne delivers a sexy take on the timeless question: Can a guy and a girl really be just friends? When Parker Blanton meets Ben Olsen during her freshman year of college, the connection is immediate and platonic. Six years later, they're still best friends, sharing an apartment in Portland's trendy Northwest District as they happily settle into adult life. But when Parker's boyfriend dumps her out of the blue, she starts to wonder about Ben's no-strings-attached approach to dating. The trouble is, even with Ben as her wingman, Parker can't seem to get the hang of casual sex until she tries it with him. The arrangement works perfectly . . . at first. The sex is mind-blowing, and their friendship remains as solid as ever, without any of the usual messy romantic entanglements. But when Parker's ex decides he wants her back, Ben is shocked by a fierce stab of possessiveness. And when Ben starts seeing a girl from work, Parker finds herself plagued by unfamiliar jealousy. With their friendship on the rocks for the first time, Parker and Ben face an alarming truth: Maybe they can't go back. And maybe, deep down, they never want to.
