READ-CAPTIVATING SIZZLING ROMANCE Von midniteinkBORLANDER BEAST BOAR {Boarlander Bears Book 4}- A HEART-MELTING ROMANTIC STORY. This story focuses on; REBECCA {BECK}, a sassy, bold green-eyed beauty and Public Relations representative for shifters; MASON, a strapping, heart-stirring blue-eyed powerful boar; RYDER, Beck's adorable son. What you'll find in this story; a cast of remarkably impressive and engaging characters, incredible story-line, picturesque and powerful vivid scene descriptions, phenomenal banter, gut-wrenching moments, action, spine-chilling suspense, horrific danger, life-threatening incidents, emotions spiral, camaraderie, earth-shattering toe-curling sensual romance, and a melt your heart ending leaving you content and wanting more. Logging season is over for the summer and Mason has left the Boarlander Crew to go back to work for Damon. Mason's haunted devastating past has reentered his life in the form of a ghost leaving him short-tempered. Damon has requested that he be Beck's driver while she does her duties as PR. Beck's past weighs on her heavily, having to keep an uncomfortable relationship with her ex-husband because of her son. She also keeps a secret from the shifters, as trusting anyone is difficult for her. The more time Mason and Beck spend together a romance begins to flourish. As the past becomes the present; horrific danger is on its way to Damon's Mountain and it is after Mason with evil uncontrolled anger. WOW/SPECTACULAR-fast paced well written fascinating read by a truly gifted author. The fusion of authenticity and fantasy make this a most impressive story. The author does not disappoint the reader with breathtaking scene descriptions, fantastic dialogue, and intriguing plot, that keeps you hooked from start to finish. Beck and Mason compliment each other; their fiery romance is filled with undying devotion. Ryder is wonderful addition to the story and I adored his character. I love how the author fits in the characters from the other stories making the story more entertaining. You can't help love and cheer for the awesome characters in this story. I relished this story, as it was a most heart-warming and gratifying read. If you treasure shifter romance this is certainly a terrific book for your library. In the world of shifter romance the possibilities are endless and always fascinating. Without reservations I recommend this book..

Kurzbeschreibung Rebecca Beck Anderson is in Damons mountains for one thing: to improve public relations between shifters and humans. She has a heap of reasons the shifter rights vote has to go their way, but when she meets her driver, Mason Croy, the sexy boar shifter is adding one more. Mason is smokin hot, and just her type if she wasnt reeling from a divorce that has left her drained. Even if her heart was open to moving on, Mason is dealing with things she cant understand. Brawling publicly to escape his pain seems to be the beast boars go-to method of therapy, but hes making her job as shifter publicist harder as he spirals out of control. All she needs to do is keep her head down, and work for that pretty salary Damon has promised her, but Mason is a mystery she becomes desperate to solve. Hes wrecking those walls shes constructed around her heart one by one, but the more she gets to know him, the more she realizes Masons past could be the death of her. Mason Croy has been doing a bang-up job of hiding from his past in Damons mountains but now its coming back to haunt him, and his boar is on a tear. All he wants is to be left alone to spiral, but now the beautiful publicist hes been hired to drive around has him wishing he could be a better man. He hasnt paired up with a mate for a reason.
