KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A beautiful storyVon DesiraeI have read the whole "born in" trilogy and this was my favorite one. The serenity and

coolness of Brianna matched with the anxiousness and humor of Grayson was irresistible. Nora Roberts is such a gifted novelist and a book like this gives all us romantics hope. This story has everything, passion, humor, seriousness, and sadness enough to make you cry. The way she had Grayson's catch phrase "Let me tell you a story" throughout the book was brilliant because you never knew what type of story it was, be it happy or sad. It's a novel of great depth and definitely does not fall in the "Trashy Romance Novel" category that so many people are apt to put these types of books in. If you're a big "Born in Fire" fan also, never fear. Maggie and Rogan are also woven through this spellbinding tale. I have reread this book many times and never fail to cry at the end. 1 von 1 Kunden fanden die folgende Rezension hilfreich. I was fascinated by the easy way this story unrolled. Von barbaragoldfeder@mindspring.com This is the second of the series "Born In". Each book stands as a complete story but they blend in beautifully. The sister who is the homebody, and takes care of her schrew of a mother, is finally set free by her sister to follow her inclination to start a bed and breakfast place. Her romance, the discovery of some love letters belonging to her father and the relationship with her sister are done lovingly and read so smoothly, I read it right through the night and could not put it down. I have since read it several times more and enjoy it just as much as reading it the first time. 0 von 0 Kunden fanden die folgende Rezension hilfreich. F-A-B-U-L-O-U-S !! Von Ein Kunde As a long-time reader of Ms. Roberts, I can assure others that each title is a gift, and "BORN IN ICE" is made to order. This beautiful and touching love story is surrounded by the breathtaking beauty and magic of Ireland. We find Brianna Concannon, a quiet woman whose only desire for success is in striving to make a temporary home for the guests of her bed and breakfast inn, and trying to keep the peace in a family torn apart by mistakes of the past. Enter Grayson Thane, an internationally famous author trying to forget his own troubled past and maintain the life he has painstakingly created for himself. Not at all interested in putting down roots, he can't fight the pull he feels to this delicate woman who longs for a peaceful, quiet existence and a man to give her heart to. Add in the fire of Maggie Concannon and power of Rogan Sweeney (returning from "Born In Fire") and you have a passionate romance that with pull at your heart, and stay with you long after the last page has been savoured. Thanks again Nora, for yet another glorious love story!
