While I wondered how this unknown Concannon, Shannon Bodine, would be worked into the tightly knit fabric of Maggie and Brianna's family and village, the portrayal of Shannon as she loses and then finds herself is enthralling. Ms. Roberts perfectly catches the emotions Shannon feels -- shock, betrayal, denial, confusion, anger, passion -- during her life-changing moments... it were as if Ms. Roberts had consulted with a psychologist for the range of emotions someone like Shannon would feel. The romance with Murphy Muldoon and Shannon's discovery of her Irish soul will keep you reading from cover to cover.1 von 1 Kunden fanden die folgende Rezension hilfreich. easy to read and completely believableVon barbaragoldfeder@mindspring.comThis is the third book of a series so well written that,while each book stands alone on its merits, they blend very smoothly one into another. It is a story of three sisters, this one being a love child born in USA. She is discovered by the other two sisters through letters found in the attic. They invite her to come to Ireland, which she finally does. The interaction is completely realistic and thoroughly readable. I have read these books, Born in Fire, Born in Ice, and Born in Shame, several times and enjoy them more each time.1 von 1 Kunden fanden die folgende Rezension hilfreich. Murphy Muldoon - where are you?Von Ein KundeThis is one of my favorite books by Nora Roberts - and believe me, I've read most of them! Maybe it's the ambiance of Ireland, the language, the music, the EMOTION of a country and a people known for their passion, but I fell in love with the love story between Murphy and Shannon. Who DOESN'T want love to be eternal?I've read many books since this one and it continues to stand out as one of my all-time favorites. May a knight as wonderful as Murphy come sweep me off my feet. I'm waiting!
