Von Jeaniene Frost : Bound by Flames: A Night Prince Novel before purchasing it in order to gage whether or not

it would be worth my time, and all praised Bound by Flames: A Night Prince Novel:

**Kurzbeschreibung**The climactic third novel in New York Times bestselling author Jeaniene Frost's Night Prince series finds Vlad and his newly turned bride, Leila, at odds with each other and vulnerable to the one vampire powerful enough to end the Dark Prince's reign . . . Play with fire, pay the price Leila's years on the carnie circuit were certainly an education. What she didn't learn: how to be a vampire, or how to be married to the most famous vampire of them all. Adjusting to both has Leila teetering on a knife edge between passion and peril, and now the real danger is about to begin . . . Vlad must battle with a centuries-old enemy whose reach stretches across continents and whose strength equals his own. It isn't like Vlad to feel fear, but he does . . . for Leila, because his enemy knows she is Vlad's greatest weakness. As friend and foe alike align against him and his overprotectiveness drives Leila away Vlad's love for his new bride could be the very thing that dooms them both . . .

**Pressestimmen**A stay-up-until-sunrise read There are many Draculas out there, but only one Vlad, and you owe it to yourself to meet him. (Ilona Andrews, New York Times bestselling author of the Kate Daniels series) I always open a Frost book with happy anticipation. (Charlaine Harris) New and returning readers alike will enjoy this warmhearted and often hot-blooded adventure. (Publishers Weekly) A new twist on the classic vampire mythos... Jeaniene Frost has a winner on her hands. (Yasmeen Galenorn, New York Times bestselling author of DEMON MISTRESS)
