**Von Cora Reilly : Bound by Honor (Born in Blood Mafia Chronicles Book 1) (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bound by Honor (Born in Blood Mafia Chronicles Book 1) (English Edition):

doormat, the hero tried to be an alpha. Her virginity was the focus of the story, how she lost it, and then just sex. If there were not cellphones and rooey drugs you could think the story was set in the 1930ies. I doubt the current mafia works as it was described: everybody from child to adult, male or female knows that they are members of the mafia. Do they (not only the low ranked members but also the Capo= head of the organisation) really run around NY shooting their enemies and coming home covered in blood? No doctor on speed dial to stitch up the wounded? No college education for running a million dollar enterprise? There were a lot more inconsistencies that ruined the story for me.

Von Sarah Barnack Ich habe mich nachdem ich bereits Nero und Vincent gelesen habe umgeschaut für weitere Made Men Bücher und dieses hier gefunden. Es ist wirklich toll und Luca und Aria finde ich extrem gut zusammen. Auch die Schwierigkeiten welche sie sich stellen müssen, sowohl Aria als auch Luca, finde ich sehr gut geschrieben. Beide haben wirklich Tiefgang und die Story wird auch noch sehr rau und extrem - aber mal was anderes außer nur Sex, Drama und rosa Brille. Ich kann die Serie nur jedem empfehlen. Gerade die Geschichte von Aria und Luca ist einfach zum dahinschmelzen :)

I loved Luca and the sweet romance between him and Aria. It was the right mix of sweet seduction and hot sex scenes. And, of course I adored feisty Gianna and Matteo. So, hurry up Mr. Reilly ;) I can't wait for Gianna's and Matteo's story, but I also am very very excited about the next in line Dante and Valentina! I know I will love this one!

**Kurzbeschreibung** Born into one of the leading Mob families in Chicago, Aria Scuderi struggles to find her own path in a world where no choices are given. Aria was only fifteen when her parents betrothed her to Luca The Vice Vitiello, the oldest son of the head of the New York Cosa Nostra to ensure peace between the two families. Now with eighteen, the day Aria has been dreading for years is looming dangerously: her wedding to Luca. Aria is terrified of marrying a man she hardly knows, especially someone like Luca who got his nickname the Vice for crushing a man's throat with his bare hands. Luca might be one of the most sought after men in New York thanks to his good looks, wealth and predator-like charisma that radiates power, but the society girls throwing themselves at him don't know what Aria does: that the bad boy aura isn't just a game; blood and death lurk beneath Luca's striking gray eyes and arrogant smile. In her world a handsome exterior often hides the monster within; a monster who can just as easily kill as kiss you. The only way to escape the marriage to Luca would be to run away and leave everything she's ever known behind but Aria can't bear the thought of never seeing her family again. Despite her fear, she decides to go through with the marriage; Aria has grown up among predators like Luca and knows that even most cold-hearted bastards have a heart and she has every intention of working her way into Luca's. **!Mature content!**
