way related by blood. Enjoy.1 von 1 Kunden fanden die folgende Rezension hilfreich. KENZIE HAVEN IS EXTRAORDINARY Von Al-Khemet Book Club My first thought was Ok then. Family. Sex with family. Should I review or not? This isn't the sort of thing I am into. Wait, its literature. Maybe someone else from the book club should have tackled this one. But, hey, I'm done reading already. And It made me uncomfortably hot. The author 'Kenzie Haven,' is one of those rare and amazing indie authors who can make you like something you wouldn't normally, just by the magically seductive way she writes. My hats off to you, you won me over. This was short, gripping and spellbinding and refused to let me go until the last line has been read. I shall check out your other stuff. This is just amazing and real. Al-Khemet Book Club JUL 2015

Kurzbeschreibung I always dreaded these family reunions. The ones where my parents would relentlessly try and blend their step families together in some fancy resort location. But, it wasn't the gathering that I hated. Oh no. I could avoid that with alcohol and lounging by the pool. It was him; that cocky, masculine, billionaire, whatever of a stepbrother that I grew up with. He's driven me wild for longer than I can remember. I just need to avoid him long enough to survive this gathering. Too bad he has different plans for us. He wants me bound and all to himself.
