Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. 5 hot kinky and even more are deserved stars! Von CassandraCade has made the #1 spot in my fav men of Sierra

Cartwright!!! Whatever he pleases, I'm his completely! I want to hate Sofia for getting the chance with Cade, but I can't hate her. She's a strong, independent and successful business woman who takes no s\*\*\*\*. She knows her strength and has built her company from her mother's vision. She didn't have it easy, but never gives up. She's curious and willing to try with Cade. Cade is a bastard child. A chip on his shoulder that keeps him hidden on the ranch he inherited, along with some other demons that he thinks no one would understand. And old habits die hard when no one tries to break them. It's Sofia who evokes feelings in him and yet he pushes her away when she tries to break his walls. But it's also her that brings out his most dominant nature. Her curiosity awakes some fantasies and she's willing to fulfill them. His kinks are so freaking hot that I was on fire more than once. Their chemistry is strong right from the beginning and just gets stronger and stronger with every touch, with every bit of trust that is given freely. Both characters are strong and you have an instant connection with them both. Their banter is so funny I had a couple of laugh out loud moments. The story is hot and funny and sometimes heartbreaking. Sierra Cartwright strikes again with her amazing writing! PS: There are a couple minor characters that I would love to see getting their own story. \*coughs\* Thompson and Erin \*coughs\*

Kurzbeschreibung FROM #1 INTERNATIONAL BESTSELLING AUTHOR SIERRA CARTWRIGHT Book two in The Donovan Dynasty series He wants her subject to his will. She's scared she may never want to get away. The first time Sofia McBride meets the strong and determined Cade Donovan, he warns her to keep her distance. She tells herself to heed his words, but she's stunned to realize her depth of attraction to this intimidating man. She knows she should stay away from him, but try as she might, she's unable to resist him or his sexy, erotic demands. The deeper she becomes ensnared, the more she realizes she may never want to escape. All his life, enigmatic rancher Cade Donovan has chosen women who don't expect too much from him. But when a storm strands him with Sofia, his lovely, wont-take-no-for-an-answer event planner, all his dominant and protective instincts flare. Cade wants everything she has to offer, but he soon discovers Sofia's beauty hides a determination he hasn't counted on. Her untamed responses send him on a journey that will banish his demons and change them both forever. About Sierra Cartwright EVEN racier than 50 Shades! ~ Mail Online Sierra Cartwright was born in Manchester, England and raised in Colorado. Moving to the United States was nothing like her young imagination had concocted. She expected to see cowboys everywhere, and a covered wagon or two would have been really nice! Now she writes novels as untamed as the Rockies, while spending a fair amount of time in Texas where, it turns out, the Texas Rangers law officers don't ride horses to roundup the bad guys, or have six-shooters strapped to their sexy thighs as she expected. And she's yet to see a poster that says Wanted: Dead or Alive. (Can you tell she has a vivid imagination?) Sierra wrote her first book at age nine, a fanfic episode of Star Trek when she was fifteen, and she completed her first romance novel at nineteen. She actually kissed William Shatner (Captain Kirk) on the cheek once, and she says that's her biggest claim to fame. Her adventure through the turmoil of trust has taught her that love is the greatest gift. Like her image of the Old West, her writing is untamed, and nothing is off-limits. She invites you to take a walk on the wild side but only if you dare.
