You'll read in other reviews the actually plot and character names, so I'll keep my review a discussion of execution only. The book is not poorly written, but everything just seems to happen without a smooth flow. Yes, the sex scenes are inventive, but it all seems rushed with more lust than passion. I didn't find myself caring about either character. Plenty of sex but little romance. I was actually more interested in the peripheral characters who are denizens of Mac's bar; who seemed more colorful and more real. I was a little disappointed given the really high marks this book got, but believe with more time the writer will develop a polish that would make her characters a lot more believable and replace her sex scenes with

Von Holly Fuhrmann (hfur@aol.com) She's got one week to savor a lifetime's worth of excitement. And she knows just what, or rather who, she wants to savor - a bartender named Mac. What starts as one-last fling, becomes a once-in-a-lifetime love, if only Mac and Sammy Jo can put their fears, and their pasts, behind them. Carly Phillips blazes into the romance genre with her first book, Brazen. Make sure you check out her second book, Perfect Partners, a Kensington Bouquet written under her real name, Karen Drogin.0 von 0 Kunden fanden die folgende Rezension hilfreich. hell... Von Najlaoh gosh, und ich dachte, wenn ich buecher auf englisch lese, werde ich nicht gar so vom kitsch erschlagen. aeh ja \*g\* mh, es wurde so schlimm, dass es fast schon wieder amuesant war. er bewundert sie fuer ihren einfallsreichtum, weil sie kerzen stibitzt und in der wohnung aufgestellt hat.. hell, yeah. zumindest das drama am ende hat's etwas rausgerissen. warum das buch so gute bewertungen hat, entzieht sich meinem verstaendnis. uqop hat recht, es liest sich wie ein erstlingswerk bzw. manche autoren lernen nie gut zu schreiben. und plenty of sex.. in ihren koepfen vlt., yep, wenn sie nicht grad rumweinen, dass sie niemals zusammen sein koennen oder sich selbst kasteien, weil sie nicht ehrlich zueinander sind. einfallsreiche bettszenen..? most certainly not. it is indeed very .brazen. to throw such a book onto the market \*streicht die autorin von ihrer must read-liste\*
