Not good enough for the seriesVon KleeThis book might deserve more stars, if it wasn't meant to be a Sterling shore book. The story itself is fine, even though the pranks are funny, you have to ignore the fact that they are a little childish for someone in their mid-twenties.To bring this story into the Sterling group though is a little forced. Neither Rye nor Brin had any significant role in the previous books, they were not really part of that circle and suddenly they are like best friends with them. I missed the dynamic between the characters; something I really enjoyed in the previous books. Brin was introduced into the group because of Tria, but suddenly it is Ash who constantly takes care of Brin. And all the blind dates and Ash and Tag's meddling are really forced and not believable.All in all a good story, which might

have been more appropriate at a later stage in the series, when they had more appearances before being the main characters. 1 von 1 Kunden fanden die folgende Rezension hilfreich. der beste teil Von Yvone Nitschke einfach ein geniales buch. Ich fand Trias und Kodes Stichelein schon lustig aber die Pranks von Brin und Rye sind einfach unschlagbar. Ich habe gelacht ich habe geweint und so ziemlich alle unsere Lieblings Characktere aus der Serie tauchen wieder auf. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr empfehlenswert! Von Heidi Horner Zu Beginn, ich fand bis jetzt jeden Teil der Sterling Shore Reihe von der Geschichte sehr gut, genauso wie den Schreibstil der Autorin. Als ich dann mit dem fnften Teil angefangen habe, fand ich die Geschichte im Vergleich zu den anderen erst mal ein wenig seltsam, da sich sehr von der anderen abhebt. Aber nicht im Schlechten! Ich hab bei einem Buch bis jetzt noch nie so viel gelacht. Es gab viele richtig gute Stellen und im Ganzen betrachtet, kann das Buch auch richtig gut mithalten. Ich kann es nur weiterempfehlen

Kurzbeschreibung What happens when one neighbor pisses off the other? They end up in a brutal prank war, of course. But neither of them expects what happens when they cant break even. Rye Clanton I told myself a long time ago that I wouldnt/couldnt fall in love. Ive seen what happens, the things they dont tell you in fairytales. But I never saw Brin Waters coming until she had thoroughly invaded my life. Until her, I never laughed, joked, or even knew how to have a good time. Until her, I just existed. If my secrets werent so dark But they are. Brin Waters How the hell do you go from hating someone to loving them? I dont know, but Rye Clanton is good at it. However, hes a walking contradiction that I cant figure out, an enigma that has stumped me more times than I can count. But hes the first person thats ever made me feel alive/free. How do you give something like that up? Is loving him worth the risk of being destroyed?
