**Von Tijan : Broken and Screwed 2 (The BS Series) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Broken and Screwed 2 (The BS Series) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Alle Bcher von Tijan sind der Hammer.Von Kindle-KundeThe book has to be amazing, when I'm reading the same book / books a whole weekend over and over again. I did it with both Broken and Screwed. They comply with my few criteria for a 5 stars rating. I feel a connection to the story and their characters, cried and laughed sometimes, spend nights with reading because I couldn't put the books away and read it all over again. Ok, I admit it, most of the time I

read the scenes with the main characters but that isn't unexceptional with Tijan's book. I really like Carter Reed, adore the Fallen Crest series and devour the Broken and Screwed books. Tijan became one of my favorite authors. She really impressed me. After Alex' breakup with Jesse because a casual sex relationship isn't enough for her, she leaves her hometown in Broken and Screwed 2 to attend the same college. Immediately after her arrival she goes to him to confront him with his brother's secrets. She wants to know more about Ethan's death. Their bond and attraction lead them instantly to their previous relationship and they reconcile. The difference is that Jesse isn't the same person anymore. He has dealt with his best friend's death, has overcome most of his grief and wants a regular relationship with Alex. Only Ethan's secrets and Alex's fear of love and loss stand between them. In Broken and Screwed 2 Alex is still the first-person narrator of the whole book. There are no alternations in perspectives. Tijan's spelling style is detailed and vivid like I used to know and love it. I'm really impressed with her capability to transport her character's feelings. Her story is unique and very different from other books. I value her combination of multiple storylines. She combines love, sex and relationships with serious issues and nothing comes easy for her characters. They have to fight for their happy endings. The story's time frame is longer than in average romance novels. While other love stories end after a few weeks or months, Alex and Jesse need more than two years to a normal relationship. She gives the characters time to evolve. It's something I appreciate because in my opinion an intact relationship needs time. Because of Tijan's focus on the psychological aspects of human behavior and her honest portraits of main and minor characters the characters have to overcome some obstacles. In particular Alex has to deal with her previous experiences of loss and her fear to lose Jesse. At last I want to mention Tijan's extraordinary handling of Ethan's death and Alex' and Jesse's ghost experiences. I'm very opinionated when it comes to after death experiences between deceased persons and their bereaved. In stories about real persons I don't want to read about ghosts or other paranormal phenomenon. In my opinion Tijan walks the fine line perfectly. When Alex and Jesse feel Ethan's presence, a chair moves unexpectedly or Alex' niece speaks with an imaginary friend, Tijan describes Alex' and Jesse's way to deal with Ethan's death. It could be or couldn't be Ethan's ghost. The readers have to choose what they think.

Alex hat ihr Leben in ihrer Heimatstadt hinter sich gelassen, ebenso ihre selbstschtigen Eltern, mit denen sie laut Vater keinen Kontakt mehr haben darf. Im neuen College versucht sie mglichst nicht aufzufallen, wenige Kontakte zu knpfen. Die Monate ohne Lebenszeichen von Jesse erweisen sich als Missverstndnis, ihre Beziehung intensiviert sich, trotz den ngsten von Alex vor dem Verlassen-werden. Doch als die Eltern von Alex ohne Vorankndigung auftauchen, reagiert sie. Gute Beschreibung der Charaktere von Alex und Jesse. Doch die Verhaltensweisen von Alex's Eltern fand ich nicht berzeugend, machen so gar keinen Sinn. Und nicht nachvollziehbar ist, dass Jesse seine Beziehung mit Alex riskiert, weil eine fremde Frau sein Schweigen erzwingt. Insgesamt ist die Geschichte weniger intensiv als das erste Buch.

Genau wie der erste Teil klare Kaufempfehlung. Die Charktere sind tiefgrndig und gut beschrieben (wenn auch sehr extrem). Wer schon mehr von Tijan gelesen hat, wei was ich meine. Ich liebe die Bcher von Tijan.

Kurzbeschreibung New school. New friendships. New life. Not so much. Alexandra is pissed about her parents abandoning her. She's beyond pissed that her friends did the same. She's enraged because things are unclear about her brother's death now. So her first stop is at Jesse's house to demand answers. She wants to know why her brother was friends with the criminal crowd before he died and she knows he holds the answers. But when she sees him, she doesn't get the answers she expected. Instead, she finds out that their chemistry never faded and soon heats up again! Some habits die hard. Soon Jesse and Alex are back to their ways of sneaking around. He's a near-celebrity at school and she doesn't want to deal with the backlash of being his girlfriend. Alex is tired of being hurt so she's learned the lesson not to confide and lean on others. However, she can't seem to help herself when it comes to Jesse Hunt. The big question isn't if she will survive if their relationship goes public, it's if she will survive when the real truths about her family and brother come out? Or when she learns that Jesse knows more than what he's told her?

Pressestimmen "Tijan writes with such heart and clarity." Debra Anastasia, bestselling author of the Poughkeepsie series "Tijan writes with such heart and clarity." --Debra Anastasia, bestselling author of the Poughkeepsie series
