Von Leisa Rayven : Broken Juliet (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Broken Juliet (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. 4,5 PunkteVon Lesen und Trumen - Sabine aus Band 2 geht genau dort weiter, wo Band 1 geendet hat, das hat mir schon mal sehr gut gefallen.Wieder gibt es immer wieder Rckblicke in die Vergangenheit, whrend Ethan in der Gegenwart darum kmpft, Cassie zurckzugewinnen. Diesmal sind die Karten im Gegensatz zur Vergangenheit vertauscht: Cassie kann nicht mehr vertrauen und zweifelt, im Gegensatz zu Ethan, der nunmehr endlich wei, was er will. Jedoch sind die

Rückblicke hier kürzer und werden im Verlauf des Buches immer seltener. Es gab auch in diesem Band ein Vor- und Zurück zwischen den beiden, auch wenn es nicht mehr so stark ausgeprägt war wie in Band 1. Auch fielen mir keine Fehler mehr auf, wie z.B. der plötzlich falsche Name von Ethans Freund. Gut gefallen hat mir, wie die Entwicklung der Freunde aus der Theaterakademie-Zeit beschrieben wurde, ob sie sich auch in der Jetztzeit noch sehen und wer die Freundschaft bis in die aktuelle Zeit aufrechterhalten hatte. Der Schreibstil ist flüssig und das Buch liest sich wirklich schnell und geht auch unter die Haut. Ethan mochte ich hier inzwischen wirklich gerne, und es war auch gut herausgearbeitet, wie sehr er an sich arbeitete und wie wichtig es ihm war, Cassie zu vermitteln, dass er es ernst meint und nun wirklich weiß, was er will. Cassie - im Gegensatz zu Teil 1, wo sie ja wirklich lebenslustig war und auch immer und überall Positives entdeckte, kam sie mir hier depressiv vor und auch total unschlüssig, was sie nun wirklich will, ich fand sie ein bisschen zickig und sie war mir nicht mehr ganz so sympathisch. Erst gegen Ende des Buches konnte ich mich wieder ein wenig mehr in sie einfühlen und habe auch ihre Gedanken und Gefühle verstanden. Tagebucheinträge von Cassie gibt es diesmal zwar keine, aber dafür gibt es Tagebuchauszüge von Ethan zu lesen, und ich fand das eine sehr gute Idee, halfen sie damit doch, Ethan noch besser zu verstehen, weil sie gute Einblicke in seine Gedankenwelt gegeben haben. Alles in allem ein sehr schöner Abschluss der Geschichte, der mich mit einem Gefühl zurückließ, dass sich nun alles geklärt hat. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Gelungene Fortsetzung Von Ella Selten war ich so gefesselt von einem Buch bzw. zwei Bänden wie diese. Ich habe das Buch heute Mittag angefangen zu lesen und konnte es nicht aus der Hand legen bis es zu Ende war. Bereits wie bei 'Bad Romeo' fühlt man mit Cassie mit, jedoch bekommt man in diesem Buch auch etwas Einblick in Ethans Gefühlswelt. Und es ist schwer nicht mit den Charakteren mitzufühlen und mitzuleiden und sie stellen weiche zu hassen und dann auch wieder nicht. 0 von 0 Kunden fanden die folgende Rezension hilfreich. I hope you're ready for the biggest book-hangover of your life! Von ink.eaters book blog I hope you're ready for the biggest book-hangover of your life! The thing about developing an addiction is that it happens so quietly, you don't know how much trouble you're in until it's too late. It tiptoes through the rooms of your mind and body, gently inserting hooks and strings into every cell, until you don't know where you end and it begins. And untangling that web is nearly impossible. "Broken Juliet" picks up exactly where "Bad Romeo" left off, and... OH. MY. FLUFFING. HEART. I have never ever before hated hitting 100% as much as I did when I finished "Broken Juliet". Not because the book was bad and because I had hoped for more, but because I still wanted more after already having gotten much more than I had ever been hoping for. I was like a little kid in a candy shop, close to a sugar-induced coma already, yet wanting to explore every inch of the shop, back and storage included. "Bad Romeo" had already given me the hots for Ethan Holt, as well as the love story he and Cassie Taylor share, but this... this has made me insatiable. Rayven's favorite pen must be a magic wand, because I am not sure if I will ever again be ready for a book-boyfriend that's not Ethan Holt. He was my first true friend. My first love. First lover. The master of more pleasure than I knew existed, and the architect of more heartache than I thought I could endure. I want him. Can't want him. Need him. Hate needing him. I've had many book-boyfriends before - so many, it makes me a bookwhore. Each and every one of them managed to make me love them in their own way... but this time, everything was different. I didn't just fall for Ethan. I didn't just have the literary hots for him. I didn't just get frustrated with the story when it didn't go my way. No. This book was so emotionally challenging - daring me to feel what's described and tearing at the core of my heart - people around me started asking me what kind of drugs I was on, because "Bad Romeo" and "Broken Juliet" are books that you don't just read - you live them. Cassie falls in love with Ethan? You fall in love with Ethan. Cassie gets her heart broken by Ethan? You can feel your own heart aching right along with hers. Cassie gets mad... you get mad. Cassie throws her phone onto the floor? Well... let me just say that if it hadn't meant no-more-Ethan, I would have happily smashed my Kindle into the nearest wall. Loving you is the stupidest, most selfish thing I've ever done, but I can't stop. God knows, I've tried. This book, as well as its prequel, definitely do their titles justice. There's bad, and there's broken - but that's not even what I meant. Romeo and Juliet... an epic love story, with lovers that have to overcome so many obstacles, it at times bears more tragedy than romance. A love story that consumes you, that will have you addicted from page one, and that will forever be talked about - that's exactly what this story does, and what it would deserve. I absolutely loved both books, and I cannot wait for the third installment in the series! - If you haven't already, you should really go ahead, purchase a copy and be prepared to get lost in it... I personally cannot wait to get my hands onto a paperback copy of "Broken Juliet", and will most likely be turning the series into birthday/Christmas/whatever-the-occasion gifts as well (:Oh, and hey, Mrs Rayven? Should this ever get turned into a movie - no, wait, WHEN this gets turned into a movie - I would please like to play the part of Cassie Taylor. I don't care that I look nothing like her, I'll just... adapt and undergo a million plastic surgeries. Just kidding... or am I? (;*** I was generously provided with an ARC by the publisher, in exchange for an honest review! ***

Kurzbeschreibung Some loves never let you go . . . Cassie swore she'd never forgive Ethan for breaking her heart when they were in acting school years ago. He was her one great love, and when he refused to love her back, a part of her died forever . . . or so she thought. Now she and Ethan are sharing a Broadway stage, and he's determined to win her

back. Finally he's able to say all the things she needed to hear years ago . . . but can she believe him? Has he really changed, and what makes this time different from all his other broken promises? The answer lies somewhere in the past, and now the truth will come to light. Will Cassie rediscover what it's like to be trusting and open again - the way she was before Ethan? Or is it too late for these star-crossed lovers? Don't miss this mesmerizing sequel to *Bad Romeo*, the unforgettable love story that captured the hearts of over two million fans online.

Pressstimmen
With *Broken Juliet*, Leisa Rayven meets and exceeds the high bar she set in *Bad Romeo*. It has a fair share of angst and heartbreak, but the dialogue is sprinkled with sharp, witty, absolutely hilarious banter, which assists in giving dimension to the story. *Bad Romeo* concluded with a cliffhanger, but happily, *Broken Juliet* ties off the story arcs in fine fashion, leaving this reader very satisfied. What Ethan does to win Cassie back is definitely sigh-worthy - he proves he's the good Romeo she deserves. ;) If you enjoy a heartwarming unique New Adult romance, *Broken Juliet* is highly recommended. This book and *Bad Romeo* are keepers.

USA TODAY Happily Ever After blog
This book grabbed me and didn't let go. I'm in love with Leisa Rayven and the rest of the world needs to be, too.

Colleen Hoover, New York Times bestselling author of *Ugly Love*, on *Bad Romeo*
Bad Romeo delivers perfect romance - emotional, edgy, and illicit. Every page is charged with off-the-charts chemistry. Don't miss this exciting debut.

M. Pierce, bestselling author of the *Night Owl Trilogy*, on *Bad Romeo*
Leisa Rayven crashes onto the romance scene: laughing, flirting, and just daring us to put *Bad Romeo* down. I couldn't!

Christina Lauren, New York Times bestselling author of *Beautiful Bastard*, on *Bad Romeo*
An unputdownable debut! Filled with delicious tension that will make your palms sweat, toes curl and heart race.

Alice Clayton, New York Times bestselling author of *Wallbanger*, on *Bad Romeo*
The perfect combination of hot and hilarious, *Bad Romeo* is utterly dazzling. I loved it!

Katy Evans, New York Times bestselling author of *Real*, on *Bad Romeo*
I absolutely LOVED this book. This is a romance that you feel with all your heart and soul. Ethan and Cassie's chemistry was off-the-charts and their connection so intense that it kept my heart racing the whole way through. The writing captured the emotional intensity of their epic love while balancing it out with hilarious scenes that had me laughing out loud, and other scenes that had me fanning myself from the hotness. It was the perfect balance! Absolutely freaking ADORED it. And I can't recommend it highly enough.

Aesta's Book Blog on *Bad Romeo*
I loved reading this book. The heroine is infused with the perfect amount of believable hopefulness and charm. She is fully-fleshed out and possesses a sense of humor that is wry and witty. And the hero is perfectly drawn. The reader may want to throttle him for a sizable portion of the text. They will equally want to make out with him. And that dichotomy is perfect for a New Adult hero. He is wonderful and believably bad for her in all the best ways.
