**Von Aileen Erin : Bruja (Alpha Girl)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bruja (Alpha Girl):

Although it's not as strong here,

since this is another character's POV and story, it's more fun reading the books in the intended order. Review I knew that the book wouldn't be told by Tessa, but by her cousin Claudia, the witch who has defected from her former coven to fight side by side with the wolves. And in the first books, Claudia came across as pretty cool and with some decent magic stuff up her sleeve weapon-wise. But sadly, here in her own book, that is all in the past. And Claudia is the opposite of capable, levelheaded and grown-up. And at times, it was nearly impossible to read on without scolding her for her being so undecided and naive. In short: Claudia is a Mary Sue. And that is sad because the plot made for a good setting. Very Indiana Jones. At the end of Alpha Divided, Claudia is told that she needs to go to Peru and find white mages and thereby the means to defeat demons. Besides, Luciana still holds the bloodoaths of all the defected witches and they need to find a way to break that, too. But Claudia hesitates [as she will a great many times more during this story...] and only when her brother gets into deep s\*\*\*\*, Claudia goes on her merry way. In Peru, the Indiana Jones part starts and I liked how the author brought the feeling of being in the Andes across: Claudia and her guide, werewolf Lucas, are chasing through the wilderness, time ticking away and Raphael's condition getting worse by the minute. That was well done. But I'm afraid that Claudia really is not the hilarious, snarky, strong heroine her cousin Tessa is and I missed Tessa's voice dearly. Claudia is constantly doubting herself, trusting where experience should tell her not to, and effectively babbling. Compared to her, Bella Swan is the epitome of self-esteem and independence. And then there's the romance. I liked Tessa and Dastien. And what little we were shown of Meredith and Donovan. The relationships developed naturally. Here everything is told, not shown and I'm to believe it, although I don't feel it. So no, this installment didn't do it for me. But I still like the series and as the events at the end of Bruja indicate, the s\*\*\*\* still hits the fan in St. Ailbe's and I think I'll enjoy the next book that is back with Tessa a lot. 0 von 0 Kunden fanden die folgende Rezension hilfreich. nice story in exotic surroundings Von Sonnenblume Charming Hero, brave heroine and a magic tale. Kurzbeschreibung Claudia de Santos has always looked out for every witch but herself. She fought from the shadows as her coven turned dark, and with a little help from her half-witch/half-Alpha werewolf cousin, Teresa McCaide, Claudia is doing everything she can to keep her friends and family in the light. Now the coven has splintered into two factions: Luciana's army of witches wielding dark magic, and Claudia's few stragglers who fight with the wolves. War is coming, and it won't be much of a battle if Claudia can't find the spells to counteract Luciana's demonic power. But Luciana strikes before they're prepared, and Claudia's twin brother pays the price. Suddenly, going to Peru in search of ancient Incan magic doesn't seem so crazy. Fighting evil will require a pure spirit, but her quest is full of temptations, including a handsome Peruvian guide with secrets of his own. Finding love is the last thing on Claudia's ever-growing to-do list, but sometimes what you need has a way of seeking you out. THE ALPHA GIRL SERIES 1. BECOMING ALPHA 2. AVOIDING ALPHA 3. ALPHA DIVIDED 4. BRUJA 5. ALPHA UNLEASHED 6. SHATTERED PACK 7. BEING ALPHA -- Releases February 13, 2018 Holy Moly! I loved it. Claudia's trek to Peru is one helluva ride...
