Von Penelope Douglas : Bully (The Fall Away Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bully (The Fall Away Series):

Kurzbeschreibung New York Times and USA Today bestselling author Penelope Douglas delivers an unforgettable New Adult romance that toes the fine line between love and hate. My name is Tate. He doesn't call me that, though. He would never refer to me by a friendly nickname. No, hell barely even speak to me. But he still won't leave me alone. We were best friends once. Then he turned on me and made it his mission to ruin my life. I was humiliated, shut out, and gossiped about all through high school. His pranks and rumors got worse as time wore on, and I made myself sick trying to stay out of his way. I even went away for a year just to avoid him. But I'm done hiding from him now, and there's no way I'll allow him to ruin another year. He might not have changed, but I have. It's time to fight back.
