I think I found a new authorVon Madly In Love With BooksAlright this book started of great, the first 100 hundred pages I was totally into it. I loved the heroine, she was strong, bold, independent and rather fearless.Unfortunately after those first pages I was a little disappointed. The pacing of the story was off and kinda slow, the political aspect (which if well

written, I definitely can enjoy) boring and didn't grip me at all. ...But .... BUT ... I still loved those two as a pairing. An extremely overpowered bad ass demon that has to deal with an outspoken, but still closed-up heroine. The flow, the spark of those two simply got to me, I felt it and I liked what I felt. Unfortunately these two couldn't cover up a lot of lost potential ... like Knox's four friends and sentinels. None of them had an own voice and it seriously PAINED me, because the things that could have been done with them! Grr! (Same goes for Harpers friends btw). Also their personal issues were solved way too easily. I am not a fan of overanxiety and I liked a lot of the smooth way their relationship went, but it was just too unrealistic with characters that are both as headstrong, stubborn and ... alphas as those two. A bit of nicely done humorous scenes had me grinning but couldn't disguise the point that the plot was lacking. All in all a 3.5 star book for me, that started out great, but lost its grip on me and couldn't really impress me. Mostly because I saw a lot of missed possibilities, character building that wasn't thought through to the end and a lot lost potential. I still enjoyed the style and romance and definitely will read the next books. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Brilliant new world Von Regine BURN is the very first book I read from Suzanne Wright. And I got completely hooked up! Mrs. Wright has created a very interesting new world where demons are not that bad and have created their own parallel society right in the middle of the human world. We get exciting action and very hot erotic scenes. I especially love the main characters, a very dominant demon male and an equally strong and confident she-demon. I'll definitely continue with the second third book of this new series, BLAZE and ASHES. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A different take on the paranormal scenario Von Kachina Katn enjoyable read, better than the usual Young adult type story. A number of grammatical errors lowered the score. Will probably read more books by this author

Kurzbeschreibung The first book in Suzanne Wright's bestselling witty, paranormal romance series, Dark in You. Part of a small demon lair in Las Vegas, tattooist Harper Wallis lives a pretty simple life. That changes overnight when she discovers that her psychic mate, or 'anchor', is a guy who's rumoured to be the most powerful demon in existence. Compelling, full of secrets and armed with raw sexuality, Knox Thorne is determined to claim her as his anchor, creating a psychic bond that will prevent their inner demons from ever turning rogue. The billionaire also wants Harper in his bed. She's not so sure she wants either of those things. No one seems to know what breed of demon Knox is, only that he's more dangerous than anything she's ever before encountered. But he refuses to walk away. And when an unknown danger starts closing in on Harper, it seems that Knox is the only one who can keep her safe. As Prime of his Las Vegas lair and a successful businessman, Knox Thorne is used to being in control. He's also used to people fearing and obeying him. Harper does neither, which unexpectedly amuses him. Unpredictable, elusive and complex, she draws Knox and his inner demon like nothing ever has. Knox is used to getting what he wants, and he wants Harper. He'll have her, and he'll keep her safe from the threat that looms over her. Because Knox protects what's his. He won't allow anyone to take her from him. Even if it will mean letting the demon inside him rise and wreak the havoc it was created to make. 'A whole lot of action and excitement.
