high etc before she DOESN'T enjoy wild sex when she gets home after an 18 hour shift? The plots are always good but the sex is just unbelievable - even if this is supposed to be the future! So why do I keep reading JD Robb? My mum loves the books (including the silly love scenes) and I like the story lines and just put up with the stupidity of the thought of a woman coming home with half her skin hanging off and all she wants is to get it on - get real! It's a good read though.0 von 0 Kunden fanden die folgende Rezension hilfreich. I was thoroughly disappointed! Von JinxI was and still am a great fan of J.D. Robb and her Eve Dallas. I read all 40 books already twice, all of them really great reading and my personal pleasure for nights I cannot sleep. But this one is way off her usual style and quality. It is rather boring, I miss the usual rhythm and fun. The characters lack the liveliness and humor of the other books. I have to admit if I had come across this copy first I would probably never have opened another one. Sometimes during the reading I even had the feeling someone else entirely wrote this story. I am looking forward to the next one, hoping that I will find my old friends there again.2 von 3 Kunden fanden die folgende Rezension hilfreich. War schon mal besser... Von SabrinaEs war eher mhselig das Buch zu lesen, hat sich sehr in die Lnge gezogen. Erst am Schlu wurde es richtig spannend. Die Sterne gibt's, weil's halt J. D. Robb ist und ich ihre Bcher ansonsten liebe. Irgendwie fehlt dem Buch aber der bliche Bi, auch die zwischenmenschlichen Beziehungen der Hauptpersonen gingen irgendwie unter. Vielleicht gehn J. D. Robb langsam die Ideen aus.

But when Eve and her partner, Peabody, find blood inside the building, the lieutenant knows Martas murder was the work of a killer whos trained, but not professional or smart enough to remove all the evidence. But when someone steals the files out of Martas office and the killers violent streak begins to escalate, Eve knows she has to draw him out, even if it means using herself as baitFrom the Paperback edition.Pressestimmen"Robb excels." --"New York Journal of Books""Robb is a virtuoso."--"Seattle Post-Intelligencer" WerbetextIn this new Eve Dallas thriller, Eve is surrounded by murder suspects from the high-stakes financial world
