had to read this book. And boy was it good!!! I started it about 2 hours ago and couldn't put my kindle down until I read the very last word of it. We already knew that Pete was in trouble and had to go to prison - fast forward 2 years and he gets a chance to get out by his attorney Mr. Caster who offers him to help out at his camp for disabled children. Since his brother is deaf, Pete knows how to do sign language and a lot of the children in the camp can not hear. What Pete doesn't know is the reason behind this offer. Some time before he got into trouble, he helped a girl at the campus who was raped. He was very kind and she never forget how he treated her and how nice and gentle he was. This girl is Reagan Caster, the daughter of his attorney. When they meet again at the camp, he instantly recognizes her since he never forget her. She is a pretty girl but damaged from what happened to her. She never lets a man besides her dad touch her and she learned martial arts to defend herself. So, what happens when a damaged girl and a lost boy meet? This book really did me in. I cried about what happened to Reagan, I cried about the stories of the guys at the camp and I cried about the dog. But there was also a beautiful story of love and hope and of course there were the Reed boys again. You can't help but love them and wish to be part of their family, too. Tammy Falkner did it again and I can only wonder what comes next. I will download Seth's story now which seems to be book 2.5 and not 3.5 but I hope this won't matter since I was just introduced to Seth in this book. I really wish I get to know what happened to Edward, his sister and Gonzo. If there isn't a story yet, I hope Tammy will write one in the future. I will recommend this series to my friends and I'm sure they will love it just as much as I do. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Amazing Von Alexandra Not what I expected it to be, but really great I never thought I could love another couple as much as I like Logan and Emily, but girls: These two are sooo cute I love their story as much as Emily's and Logan's Story :D 0 von 0 Kunden fanden die folgende Rezension hilfreich. Toll Von UihUij Ich finde die Serie echt super und kann gar nicht mehr aufhören mit dem Lesen! Sie schreibt wirklich über schwierige Themen im Alltag und das ist wirklich bewegend!

Kurzbeschreibung***This New Adult book is intended for audiences over the age of 18 due to adult language, sexual content and adult situations***This is book three of the Reed Brothers series, but it can be read as a stand alone book with no worry you've missed any good parts. Pete I met her on the worst night of her life. She was broken, shaking, and waiting for someone to save her. I am just thankful I got the opportunity to know her. Her dad helped me with some legal trouble I got into, and I volunteered to help out at their camp for children with special needs. Horses, pools, and a tracking bracelet on my ankle. Sounds like a fun week, doesn't it? She was there and she wanted to thank me for my kindness on that awful night. But I want her. I want her more than anything. I think she wants me back, but she needs calm and careful, and I don't know if I can provide that. Reagan Pete saved me. But now it's my turn to return the favor. He's hot, with this tattoos and piercings but, beneath it all, he's crying out for someone to save him too. Can he love me completely? She's been locked up even longer than he has. Peter Reed is fresh out of jail, fresh out of excuses, and ready for a brand new start. Reagan Caster needs to thank Pete for an act of kindness, but he wants more than just her thanks. Reagan knows how to protect her body, but not her heart. And her traitorous body responds to Pete in a way it hasn't with anyone else. When Pete's innocent flirtation becomes more, Reagan's ready to accept what he has to offer. Pete assumes Reagan needs to be loved carefully and calmly. But Reagan knows she needs to be loved completely. Can he give her what she needs?
