Enjoyable and funny  
Von K. Prins  
This was the first book by Joan Johnston that I had read that wasn't in the Silhouette or Harlequin line and I was pleasantly surprised. An interesting premise and I loved Charlotte. She was headstrong and not afraid of doing what she wanted. I also enjoyed the other small stories that Ms. Johnston incorporates into her books. Go out and find the others in this line. You won't be disappointed.

This book was terrible!  
Von Ein Kunde  
I have been reading romance for years, and this book is practically for babies. The excitement is barely lukewarm. The premise had such great potential, but it was never really developed. It was a complete waste of time, which is a shame because I've read some of her other books and they were good.

Lion is the best hero, ever!  
Von Ein Kunde  
I loved these two characters and was so happy to see them together. She brings out the best in him. They drive each other crazy in or out of bed!! You have to read this book!

Kurzbeschreibung  
She was a gorgeous rebel. Defying all the rules, daring to speak her mind, Charlotte Edgerton declared her independence before she even entered the Earl of Denbigh's home. Her new guardian immediately made her a prisoner in her own room until she agreed to learn the lady-like arts. Furious, she complied. Anything to buy her freedom from Denbigh. She's even marry a man she didn't love to get away from her domineering guardian. In fact, love was the furthest thing from her mind... He was the Earl who vowed to tame her. Lionel Morgan, Earl of Denbigh, had been betrayed at the altar by another woman and vowed that no female would ensnare him again. Then Charlotte Edgerton burst into his life. Denbigh wasn't prepared for this headstrong American or the passions she inspired on first sight. He knew only that he had to civilize her, present her at court, and Almack's, and then marry her off to the highest bidder. It wasn't until he nearly lost her that he realized the truth: She'd somehow reversed their roles and become the captor of his heart.

Synopsis  
An English earl, Lionel Morgan sets out to civilize a brash and beautiful American woman, Charlotte Edgerton, but the passion generated by his young, headstrong ward proves to be a greater challenge than he had ever dreamed. Original.
