Von S.E. Smith : Capturing Cara: Science Fiction Romance (Dragon Lords of Valdier Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Capturing Cara: Science Fiction Romance (Dragon Lords of Valdier Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

Capturing Cara ... zweites Buch der Serie ... 5 Sterne noch zu wenig 0.0 Von Verena Nabbefeld Das zweite Buch von S. E. Smith der Dragon Lords of Valdier - Serie ist einfach nur phantastisch :) Das erste Buch Abducting Abby war für sich schon wunderbar und hat mich neuGIERIG gemacht auf mehr aber dieses zweite Buch ist wirklich der Hammer. Es spritzt und funkelt nur so vor Humor und Schalk dass ich mehr als nur einmal das Buch aus der Hand legen musste weil ich Tränen gelacht habe und sowas passiert mir sehr selten. Dieser Autor/Autorin?! hat es geschafft eine Geschichte zu erschaffen mit einem spannenden Handlungsstrang, prickelnder Erotik und viel Humor dass ich es in einem Durchlesen musste!!! Ich kann es Jedem wirklich nur empfehlen!! Ich bin schon ganz gespannt auf den Rest der Serie :) 0 von 0 Kunden fanden die folgende Rezension hilfreich. besser als Teil 1 Von Momo1604 Der erste Teil war bereits Lesespaß, wird jedoch von Teil 2 in den Schatten gestellt. Ohne Handlung vorwegnehmen zu wollen, ist festzustellen, dass Cara ein zu Herzen gehender Charakter ist, der einen dazu bringt, das Buch bzw. eBook erst ausgelesen aus der Hand zu legen. Ich kann nur empfehlen, dieses Buch zu lesen. Jedoch ist es ratsam, dieses in der Reihenfolge der Serie zu tun. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Erotisch und witzig Von kleiner bcherwurm Dieses Buch ist witzig und erotisch zugleich. Das Drachenthema wird durch Aliens und Symbioten erweitert. Eine deutsche Übersetzung wäre super, aber ich finde, das man es auch gut in englisch lesen kann. Es ist eher einfach geschrieben. Hat Spaß gemacht.

Kurzbeschreibung New York Times and USA TODAY Bestselling author of Science Fiction, Urban Fantasy, and Paranormal Romance brings another action, adventure, and suspense-filled story to transport readers out of this world. Cara Truman is a pint-size pistol whose inquisitive nature has gotten her into trouble on more than one occasion. Her next adventure takes her further than she even expected when she ends up on a journey out of this world. Trelon Reykill thought he had his hands full. A militant group of Curizans had captured his brother Zoran, he was busy trying to fortify the Valdire defenses against the Sarafin Warriors, and his dragon was roaring for him to find a mate. He was furious about the first, excited about the second, and pissed about the last. The last thing he expects to find on the primitive planet his brother has taken refuge on is his true mate. Now, he has a whole new set of problems capturing Cara long enough to make her his. His symbiosis loves her, his dragon wants her, and he can't catch her. On top of all that, someone is trying to kill her. His solution: Capture Cara and love her so well she will never want to escape him - if he can. Please be advised this book contains graphic content. Pressestimmen I have fallen in love with this series! It is beyond fantastic. I adore Cara and love how she made Trelon work for her affection. She is such a little spit fire. "Imaginative, fun, and sexy as hell." - Michele Callahan, Author of the Time Walker series "Imaginative, fun, and sexy as hell." --Michele Callahan, Author of the Time Walker series "Hunky dragon shifters and Earth girls that aren't easy more, please! Love this series. --Urban Fantasy Author of Dark Hope, H.D. Smith" "Hunky dragon shifters and Earth girls that aren't easy ... more, please! Love this series." --Urban Fantasy Author of Dark Hope, H.D.
