Although it is part of a series this novel can be read as a stand-alone. You meet some of the characters from previous books, but the main characters are new: a strong heroine with a hard childhood, who works for a teenage charity in her free time and a playboy football player who falls for her and supports her. Very likable characters, good read for a nice afternoon lounging on the sofa.

Jillian works for the Seattle Sharks football team and meets Seth, a linebacker who is currently having a bit of personal crisis. Jillian, who has the wish to change her life, falls in love with Seth even though she tries not to. Very nice moder romance novel that is set in the world of professional football. This book is part of a series but you can also read it alone.

Ich bin absolut begeistert von dem Buch. Alles was eine Romanze braucht. Liebe, Verwicklungen und ein Schuss Erotik. Die beiden Hauptakteure - man muss sie einfach lieben. Ich kann dieses Buch einfach nur empfehlen.

about discovering who you are and finding love along the way.  
Jillian Miller likes her job working in the front office for the Seattle Sharks, but lately being surrounded by a constant parade of perfection only seems to make her own imperfections all the more obvious. She needs a change, which takes her into foreign territory: the Sharks' workout facility after hours. The last thing she expects is a hot, grumbly god among men to be there as witness.  
Star linebacker Seth Taylor has had a bad daywell, a series of them recently. When he hits the Sharks' gym to work out his frustration, he's startled to find someone thereand even more surprised that it's Jillian, the team owner's administrative assistant. When he learns of her mission to revamp her lifestyle, he finds himself volunteering to help. Something about Jillian's beautiful smile and quick wit makes him want to stick around. She may not be like the swimsuit models he usually has on his arm, but the more time Seth spends with her, the harder he falls.  
And as Jillian discovers that the new her is about so much more than she sees in the mirror, can she discover that happiness and love are oh-so-much better than perfect?

Julie Brannagh has been writing since she was old enough to hold a pencil. She lives in a small town near Seattle, where she once served as a city council member and owned a yarn shop. She shares her home with a wonderful husband, two uncivilized Maine Coons, and a rambunctious chocolate Lab. When shes not writing, shes reading, or armchair-quarterbacking her favorite NFL team from the comfort of the family room couch. Julie is a Golden Heart finalist and the author of contemporary sports romances.
