**Von Aimee Nicole Walker : Chasing Mr. Wright: Book 1 Of The Fated Hearts Series (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Chasing Mr. Wright: Book 1 Of The Fated Hearts Series (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Just a no-go.. Von LheenaWell, it is very hard to describe a book, that sounded really interesting but in reality was very bad written. Some english reviewers said there is bad dialog, but, well... that's something everyone has it's own opinion about. What really annoyed me is the fact that there are so many typos in there that even a person with non-native english skills is able to detect them. Names with an "e" somehow got an "a" instead. So sometimes you read Carmen two sentences later it is Carman. This is really, really annoying. And as if that is not enough, the story is lacking some real characters. Don't get me wrong, there is potential here, but as some of the ".com" reviewers pointed out: the way those MCs see each other and what they are really looking for in an relationship is a contradiction in itself. I mean lusting after another is okay, but throughout the whole book you feel no real spark of emotions like love and trust building up, and that is truly sad. The MCs are one-dimensional characters without any depth and could be replaced without anyone noticing. In fact, this whole book seemed a little bit like an advertisement for the next ones. Randomly showing up characters like Tom (I mean come on, he did not even get 2 chapters and you didn't see any real interaction with him. He was just there. And then "oh yeah, just go". I couldn't even believe there was a genuine friendship building) or the adoptive brother. Even the coworker which rubs one MC the wrong way in the beginning. They make no sense, and there is not even a little feeling of depth in the relationships with those characters. It's like the author remembered that she should create a few more characters, just to make it more interesting. But actually it made the whole book so hard to read, that I hadn't realised, that Chase's brother is called two names. Imagine my confusion, but well confused I was either way. Like "Who's Carman?" "Oh man is this a typo? Is it Carmen?" I have a few authors I do not particularly like for their lack of characterisation, but this one I'm not even sure if she makes it to that list. Because it is just that bad. I mean, yeah it would have been nice to see some editor doing it's job in this book, to see real characters not those cardboard ones. But what really rubs me the wrong way, is the fact I paid money. Even if it is barely 3 , but it is money, and as a reader you feel like the author is kind of making fun of you. There are well written stories, good editing and authors that make you feel appreciated; and everything for the same amount of money. This book felt like she heard M/M romance is a quick way to make money, so why not try writing. So sorry, but this book did not work for me. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Chasing Mr. Wright Von IchHabMeinSachAufNichtsGestellt This book contains a whole bunch of wonderful characters, each one so outlined I think there are no flat characters existing here. Both Chase and Gray have had serious relationship issues in their pasts or have it right now - which is the exact reason for them to crash into each other, and not in a good way. BUT the attraction between them is just so undeniable that there has to be something... 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sooooo Lovely Von Customer I loved this story the chemistry between those two were just right and fate was in their Side it was hilarious...

Kurzbeschreibung Chasing Mr. Wright is book one in the Fated Hearts Series and is the latest novel from bestselling author, Aimee Nicole Walker. Grayson Wright is a man who knows how to do many things. He knows how to follow his dream and create a company, Wright Creations, alongside his brother. He knows how to be a good son, brother, friend, and employer. Grayson doesn't know how to fix his toxic relationship with his long-time boyfriend. Grayson decides to throw his boyfriend a surprise birthday party as a last ditch effort to rekindle the old spark, but it's Gray who gets the surprise of his life when he turns on the lights and learns the ugly truth about his life. Now at age 32, he re-evaluates who he is, what he wants out of life, and the kind of man he wants to give his heart to. Chase Rivers has an MBA from Georgetown with a minor in marketing. His life starts looking up when he accepts an entry level position at an ad agency. It isn't his dream job, but it's a great start and it just feels right to him. He hopes this new beginning in his professional life will spill over into his personal life. Chase is unlucky in love and draws every loser, liar and cheater like a magnet. He's an expert at finding the perfect mate for his friends, but strikes out every time for himself. He gives up on finding Mr. Right and agrees to a date with Mr. Right Now out of loneliness and desperation. Chase didn't expect Mr. Right Now to lead him to the doorstep of his very own Mr. Wright. If their first meeting was a fluke, then what was the second and third? Twisted fate? Bad luck? Fated hearts? Buckle up for a bumpy ride as these two men travel down a broken road of heartache and discovery. This book contains heart, humor, heat, and a cast of characters that is sure to keep you smiling. It contains adult language, explicit sexual acts between two men, and is intended for people who are 18 and older.
