Von Arnette Lamb : Chieftain (The Border Series Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Chieftain (The Border Series Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Tedious ChieftainVon KundeI found it boring and tedious. Characters are lacking depth and the few story lines are somehow peculiar. Except for the prologue and some few pages at the end Johanna/Clare and Drummond are only mulling over the ever same questions. Drummond: Why was she unfaithful? (still believing she is the woman he had once married),

Why is she deceiving me and who is that woman? (after recognising she isn't the woman he had once married);
Johanna/Clare: How can I trick him without being found out and get happy with him nonetheless. That's insufficient for a whole story.0 von 0 Kunden fanden die folgende Rezension hilfreich. A sensual sweeping historical romanceVon Ein KundeThe story was so well developed and the characters were unforgettable. Johanna was a strong and intelligent heroine and it was very interesting how the author contrasted her character with her sister Clare's character. I ended up admiring Johanna but I understood how Clare could have made the choices she did. And Drummond was a great hero. Wow what a Man!! He was sensual, sexy,intelligent. I love the authors style of writing ,the story had everything that make a book good- intrigue, sweeping historical events, sexual tension, great characters that you really liked. The child character Alasdair was very well developed and added an extra dimension to the book. I also loved the cover.This is the first time I have read this author and now I am a fan, I want to read all her books!0 von 0 Kunden fanden die folgende Rezension hilfreich. Beautiful historic romanceVon HarmoniThis is a beautiful romance set in the early 1300's. Drummond, a great chieftain, was captured by Edward (I) of England and imprisoned with animals for seven years. He felt betrayed and thought his wife unfaithful. When he is released and returns to his home, he finds his wife is different than he remembered. The story captures beautifully their attempts to learn to know each other and finally to love each other.While child characters in romances are often thrown in as an apparent afterthought to say something cute every now and then, Alisdair is a wonderfully developed child character.

KurzbeschreibungAn enchanting tale of love set in medieval Scotland by The New York Times bestselling author Arnette Lamb....So powerfully moving that the audience will feel that Ms. Lamb has exceeded her usual high standard of excellence...Just another tremendous novel from one of the greats. THE READER'S VOICEUpon his release after seven years of imprisonment in the Tower of London, the Highland Chieftain Drummond Macqueen thinks of only thingrevenge. But when he seeks out the treacherous bride who betrayed him, he instead finds a woman who is more like a stranger. Both lovely and defiant, it seems his deceitful wife has drasticallyand inexplicablychanged.Seven years ago, it was Clare Benisons dying wish to have her sister, Johanna, take her place to raise Clares infant son, and Johanna has sacrificed her own happiness to honor the wish. But when Clares husband, Drummondbelieved to be long ago executedshows? up alive, her precious independence is threatened.Soon Drummonds bitterness gives way to passion, and Johannas soul-deep longing erupts. But when enemies of the past come back to settle old scores, the blossoming love may be crushed before it even has a chance to bloom. Arnette Lamb creates love stories that fire the heart and make your blood sing and your imagination soar! Chieftain is as enthralling, tempestuous, compelling, and intense as any of Ms. Lambs richly painted tales. RT BOOK REVIEWSPressestimmen"Romantic Times" Powerful, emotionally intense, sexually charged, "Chieftan" typifies Arnete Lamb's storytelling talents.KurzbeschreibungAn enchanting tale of love set in medieval Scotland by The New York Times bestselling author Arnette Lamb....So powerfully moving that the audience will feel that Ms. Lamb has exceeded her usual high standard of excellence...Just another tremendous novel from one of the greats.
