Weihnachtsbuch zum Wohlfühlen etwas klischeehafter Geschichte arm und moralisch/reich und unglücklich Von Julia K. Stein Also, ich glaube, das Buch finden viel super, die ein Wohlfühlbuch zu Weihnachten suchen und ich habe es auch ganz zufrieden vor mich hingelesen. Mir gefiel nicht so ganz, dass die arme Krankenschwester so problemlos Tausende von Dollar ausgab, um als Inneneinrichterin zu arbeiten, die Beschreibungen der Art und Weise, wie sie dekoriert hat (silber, blau etc.) fand ich scheulich .-). Aber nein, nein, eine märchenhafte Liebesgeschichte, in der die aufrechte, liebe Krankenschwester, den reichen Business-Mann vor der Einsamkeit rettet. Pretty Woman liest gren. Manchmal waren die Beschreibungen etwas zu angestrengt. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Not funny at all Von Karen Jung I expected a funny book. Was disappointed that the story was weak and utterly not funny at all. The reviews were misleading. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Saint-like nurse with decorating skills recommended by two people plus workaholic billionaire..... Von reader The plot was the typical Cinderella story that usually makes a nice feel-good read, but this one had so many inconsistencies that I struggled to finish it:- Abbey got pregnant with 24, you can't say she was very young, and in order to support her child she started studying to become a nurse....and cannot make ends meet, what and where did she work before?????-She is working exclusively for Nick's grandmother, but she only goes there once a day to measure her blood pressure and later skips some days completely because of her decorating work. When they all move into the mansion it is the granddaughter who wonders where Caroline is staying as she cannot climb to the bedrooms on second floor. Abbey was only interested in the comments about her decorating skills.- Usually kids have playdates; how come her son doesn't have friends?-Max suddenly discovers his grandpa has a cat(and he had it for quite some time). This cat is the running gag throughout the book.- Abbey starts nagging like a wife at her EMPLOYER that he is working too much and even disturbs him although he has forbidden any interruption as she is told by his butler.- Decorating skills??? Blue and silver in a room with woodwork and a fireplace with an orange glow? Putting furniture in a room before painting it? Scheduling paint jobs at the end?- Planning a party for one hundred guests just a week before the event without consulting the cook in residence.-They have fun together, but there is no want or lust, they don't share a passionate kiss; no sex at all. There were neither sparks flying nor chemistry sizzling. The characters were not fleshed out very well, they remained pale except for Mr. Freckles, the cat, that was quite a character. The writing felt erratic as if the author wrote complete scenes and then just added them without checking repetition, logical progression etc.

Kurzbeschreibung I absolutely loved this book! A beautifully written story you won't be able to put down and one of the best festive reads I've ever read. 10/10 This Chick Reads An uplifting, beautiful story about never letting go of your dreams, the special magic of a family Christmas and the rush of falling in love under the mistletoe. Single mother Abbey Fuller loves her family more than anything, and doesn't regret for a moment having had to put her dreams of being an interior designer on hold. But with her son, Max, growing up, when a friend recommends her for a small design job she jumps at the chance. How hard can it be? Nick Sinclair needs his house decorated in time for his family's festive visit and money is no object. What he doesn't need is to be distracted from his multi-million dollar business even if it is Christmas. When Abbey pulls up to the huge Sinclair mansion, she has a feeling she might be out of her depth. And when she meets the gorgeous, brooding Nicholas Sinclair, she knows that she's in real trouble. With the snow falling all around, can Abbey take the chance to make her dreams of being a designer come true? And can she help Nick to finally enjoy the magic of Christmas? What readers are saying about Christmas Wishes and Mistletoe Kisses This was such a wonderful, heart-warming Christmas romance and I loved every minute spent within the pages!... "Christmas Wishes and Mistletoe Kisses" is sure to warm your heart this holiday season! FIVE stars. Novels of the Heart Christmas Wishes and Mistletoe Kisses is a wonderful, delightful, emotional read perfect for everyone. There's a fair share of romance, however I can't say this is strictly a romance book. It's way beyond that! Little gem that everyone needs in their lives, bringing to their homes the festive spirit and Christmas magic. I adored it! This Chick Reads What can I say apart from Jenny Hale knows how to write a Christmas book that sums up the feeling of the season completely I couldn't stop myself just turning the pages to continue reading this bubble of festive goodness! Rachel's Random Reads If I had to pick among all of the amazing Christmas stories that are being offered to us this season I would have to put Christmas Wishes and Mistletoe Kisses on the very top of my own Christmas List as a gift I would (and will) give to friends and family without hesitation. The Keeper Bookshelf If you are after a warm, festive, heart-warming story with genuinely nice characters and beautiful surroundings then this book is totally for you! When the characters laughed, I smiled. When the characters cried, I felt their emotion - it was brilliantly written! Lozza's Book Corner Kurzbeschreibung I absolutely loved this book!
