Von Celia Aaron, Sloane Howell : Cleat Chaser (The Cleat Chaser Duet Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cleat Chaser (The Cleat Chaser Duet Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Easton KyrieVon MinelliDas Buch hat mir so gut gefallen, dass ich nicht mal einen Stern dafr abziehe, dass es keinen Epilog

gab. Von Eastons Seite her hatten wir hier definitiv inst-love, von Kyries Seite eher insta-attration. Das hat der Story keinen Abbruch getan. Manchmal verhalten sich die Protagonisten etwas kindisch, aber auch das hat zur Story gepasst. Einzig die Szene mit ihrem Ex am Ende hätte ich etwas anders gestaltet, aber auch diese ist letztendlich sehr gut geworden. Die xxx-Szenen sind erwähnenswert! Ich möchte auch das Verhältnis zur Schwester und die Schwester selbst. Außerdem war die einzigartige Freundschaft die zwischen Easton und Braden bzw. Kyrie und Nikky herrschte ein Highlight des Buches. Lesen! 0 von 0 Kunden fanden die folgende Rezension hilfreich. No clue about baseball Von Schnaufia Well, I don't have a flippin' clue about baseball and this book was a lot about baseball. It was pretty boring and not even the predictable love making parts could make me like this book. And what is this dirty talk all the time? All of their mouths should get washed with soap. It wasn't nice and in my opinion pretty annoying that they could talk properly from out of the gutter they obviously came from.

Kurzbeschreibung Kyrie Kent hates baseball. She hates players even more. When her best friend drags her to a Ravens game, she spends the innings reading a book Until she gets a glimpse of the closer pitcher who draws her like a magnet. Fighting her attraction to Easton Holliday is easy. All she has to do is keep her distance, avoid the ballpark, and keep her head down. At least, all that would have worked, but Easton doesn't intend to let Kyrie walk so easily. When another player vies for Kyrie's attention, Easton will swing for the fences. But will Kyrie strike him out or let him steal home? Full disclosure: This is an erotic, standalone romantic comedy full of hot guys in tight baseball pants, even more guys in tight baseball pants who know how to swing a big stick, and explicit sex.
