Great second book in the Bellevue Bullies SeriesVon Miss BAAfter reading the first book in the series I had to get the second one, and boy it did not disappoint!The relationship between Baylor and Jayden is amazing! You can really feel their

Hate-Love-Relationship in the beginning and I think it is great to see how it develops throughout the book. I can absolutely recommend this book and all books in the series! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great :-)

Another Great Book in the World of the assassins! Jayden and Baylor Rock the ice! A big Must read! Me like ;-)

Kurzbeschreibung Things are heating up for the Sinclair boys! With one already in the NHL, Jayden Sinclair is hoping to be next! This has been the toughest year of my life. I watched my brother go into the draft without me, my mom got divorced, and the weight of my familys issues is heavy on my shoulders. I feel like its my job to fix everything while working my butt off in school and trying to make my game better. I have to go into the draft. It will give my family the support they need, and it will prove that Im good enough. But to get there, I have to show I can be the best captain for the Bellevue Bullies. The spot is mineno one can take it. First though, Jude is making me go on a brothers weekend. Innocent enough, I guess until I see her. Shes the biggest competitor Ive ever faced. Not only for my spot but also my heart. Its hard to ignore someone like Baylor Moore.***I dont lose. I cant. My dad has bred me to be the best in anything I do. I am driven, I am smart, and I am going to be the first woman in the National Hockey League. No two ways about it. Ive worked too hard. Ive been through too much not to have what I want. I know I can do it. I will make my dad proud, and no one will stand in the way of that. That is, until I let him in. He scares me. He makes me feel. And he could very well be the one person who can make me want more than just to win. We both have the same goal. Victory. But how do you compete against the person you want to win? Its not easy. Love isnt something you can control. It isnt like a puck that can be handled by a stick. No, it has a mind of its own and does what it wants. Neither of us saw it coming, and we really dont know if there is a way to score, especially when youre being Clipped by Love.
