Von Suzanne Ferrell : Close To Home (Westen Series, Book 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Close To Home (Westen Series, Book 1):

Von Ruth Hans This book has it all: Heart, soul, suspense and love! I really enjoyed the antics of the twins, who only wanted to have a father of their own. I enjoyed the fierceness of the heroine, when faced with the danger of losing her children. I loved the heroe, who was not too snotty to change his mind about the mother, whom he first suspected of neglecting her children. And last but not least, I felt for the grandma who was in her early stage of Alzheimer's and nonetheless was the jeart and the soul of the family and helped raising her grandchildren. Put crime and suspense into this mix of characters and add a sociopathic father of the twins to the story, and you have it all! Just read! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Schn Von Uih Uij Das Buch ist nicht einfach nur ein

Liebes Roman. Er greift viele Probleme des täglichen Lebens auf. Ich fand es zum Schluss fast wie einen leichten Krimi! Obwohl es Book 1 ist, ist es ein abgeschlossenes Buch und man muss die anderen Bücher nicht weiterlesen!

Kurzbeschreibung Welcome to Westen. Im Lorna Doone. Yep, spelled just like the cookie and I own the Peaches N Cream Caf here in Westen. You might think nothing much happens in a small mid-western town, but as my friend Harriett says, things aren't always what they appear. Take our girl Emma for example Emma Lewis has a lot on her plate. The single mother of two precocious twin boys and an aging mother who is having trouble getting through each day, the last thing Emma needs is a man in her life, especially a doctor. So when the town's doctor goes on vacation and his handsome nephew takes over, Emma is shocked to not only find him standing in her bedroom, but accusing her of being a neglectful parent. Clint Preston came to Westen for the year to fill in as the town doc while his uncle took a long needed vacation. Clint also needed a sense of peace and calm to try to find his passion for medicine burned out by long shifts in an urban hospital's ER. Angered to find two boys in his clinic with broken wrists and no accompanying parent, he is determined to confront their mother. The feisty redhead he meets quickly dispels his belief that she's a neglectful mother, but he can see her situation is more critical than she wishes to face and finds himself volunteering to help care for her sons and the remodeling of her home. As Emma and Clint forge a relationship among the slightly off-beat characters that inhabit Westen a menace from Emma's past threatens her and her sons. Clint and Emma join forces to prevent the loss of either boy and the love they've discovered in each other's arms.
