Pinchard's Big Fat Topsy Wedding (Coco Pinchard Series Book 2) (English Edition):

Kurzbeschreibung'Coco Pinchard has to be one of my favorite female characters. If you love the Bridget Jones series, then you need to check this out!' Kerensa, Reader'After a tumultuous divorce, Coco Pinchard has found love with the gorgeous, hunky, four-years-younger-than-her-so-technically-a-toy-boy, Adam. Her career as an author is finally a success, and she has fabulous friends in Christopher, a neurotic middle-aged socialite, and Marika, a slightly alcoholic dog walker.Coco is even learning to cope with her awful ex mother-in-law, Ethel, who despite the divorce, still thinks it's fine to criticise, especially when Coco and Adam decide to take the next step, and move in together...But hours before move-in day, Adam ends their relationship without explanation and disappears. After the initial shock and anger (and an 'I told you so' from Ethel) Coco sets out to discover what has really happened, and uncovers a shocking secret Adam has been hiding from her... Full of hilarious twists and turns, Coco Pinchard's Big Fat Topsy Wedding is a witty, heart-warming, romantic comedy - the stand-alone sequel to no.1 bestselling, The Not So Secret Emails of Coco Pinchard. What people are saying about The Coco Pinchard Series: 'I couldn't put it down. I literally laughed out loud several times... and who wouldn't want to read through a stranger's correspondence? Fabulous book.' Noel, Reader 'Another great read from Robert Bryndza - he just knows how to make us keep turning those pages!' Lu, Reader'So refreshing not to have a clich rom-com where you know exactly how everything is going to pan out! If you want a great British comedy give this a read!' LL Colmer, Reader'Bryndza tells the story as if you are sitting with your girlfriends exchanging bits of wisdom. The write up was correct. I do not often laugh-out-loud at books, but I sure did while reading this one!' Gail Joramo, Reader'You think you've got problems? Trust me, they are nothing compared to what Coco Pinchard has! And how the author of this marvel manages to achieve such a level of hilarity while Coco goes from one disaster to another is the mark of true creative genius. This novel, told totally in entertaining emails, is laugh-out-loud funny.' Mayda, Reader'What an outstanding read!! I laughed, cried and cringed alongside Coco, the main character in this pacy story. I loved the way the tale unfolded through a succession of emails...a format that worked brilliantly!' Amy, Reader'Full of humour and twists of fate. A happy ending too. Women will love this at any age. If you are mature you will empathise with Ethel, if you are divorced or in love with a toy boy, you will empathise with Coco. I could not put it down and read through the night.' Susanne Rooney, Reader.'Loved this so much, funny and enjoyable. If you are going on holiday buy all three before you get to the beach or you will go nuts not being able to get the others before you get home. It is amazingly written by a man, who knew? Bryndza seems to be able to get into the head of women better than most other women. He has zeroed in on us and done it well!' FeatherOnAWire, top 100 reviewer'A real feel-good book, you just don't want it to end. Definitely a five star rating!' AlisonSmith, Reader'Witty and very British humor. Sad moments to break your heart. A must read!' Janet A.Staniec, ReaderKurzbeschreibung'Coco Pinchard has to be one of my favorite female characters.
