**Von Megan O'Brien : Cole (Ride Series Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cole (Ride Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Tolle CharaktereVon daxie1968Die Autorin erfindet das Rad nicht neu in diesem Buch. Es sind die blichen Elemente drin die man in jedem MC Romance findet. Aber was wirklich heraussticht ist die Art und Weise, wie sie die Charaktere

entwickelt und das ihre Charaktere interessant und liebenswert sind. Cole ist Badass ohne ein A... zu sein und sein MC jetzt auch nicht in wirklich illegale Machenschaften verstrickt. Scarlet ist tough und stark und könnte auch bestens ohne Cole auskommen. Klar auch hier ist die Anziehung schon beim ersten Treffen da, aber auf eine Art und Weise die nicht bezogen ist und die man noch glauben kann. Wer ein solides MC Romance Buch lesen möchte mit wirklich guten Charakteren, der ist hier gut aufgehoben und man vergibt der Autorin auch die nicht wirklich innovative Geschichte. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Coole Story Von Vanessa Genau die richtige Mischung aus Spannung und Lovestory. Wer was brig hat für Biker Bad Boys, der wird hier sicher nicht enttäuscht werden

**Kurzbeschreibung** For eight years I'd been content with my quiet life. I was safe in the bubble I'd built for myself. But I wasn't really living. Until one chance encounter changed it all. Scarlet Malone has lived quietly for years hiding from her past. Aside from her best friend Kat she doesn't allow herself to get close to anyone. Then Cole Jackson, Vice President of The Knights MC comes bursting into her life with his gorgeous eyes and fierce determination to have her in his bed and his life. Scarlet's letting her walls down for the first time in her life. Could Cole really be her happily ever after? When Scarlet's past becomes their present will she run to protect those she loves? Or can she trust in Cole to protect her life and her heart? This is the story of Scarlet and Cole. Book One of the Ride Series. Can be read as a stand-alone. \* Due to strong language and sexual content, this book is not intended for readers under the age of 18.
