SUPER ENDE DER TRILOGIEVon Bianca @BJsBBStark Trilogy #35/5 StarsWe start the book three weeks after we left Damien and Nikki in the Kempinski Hotel in Munich, Germany. They are still there, waiting and preparing for

Damien's murder trial. Nikki thinks he is trying to slowly push her away from him. He spends most of his nights in the Hotel-Bar drinking Scotch. He could save himself by just telling the court about the abuse he suffered as a kid, but he refuses. He wouldn't be able to live with himself once the truth is out in the open. He values his privacy too much, fought too hard to get to where he is today. Nikki wants to yell at him to do something, to defend himself, but he just won't. After finding him in the Bar again one day, Nikki decides it's time for a bit of fun. So she rents a Lamborghini and Damien drives them out of the city on the Autobahn - to a little lake, a place he loved as a kid. QUOTES: "Not afraid?...Is that really what you think? Jesus Christ Nikki, I'm terrified of being ripped away from you. Of not being able to touch you. To kiss you. To hear you laugh, to look at you. To be with you." "How dare you be afraid Damien....when you could make it all go away." "On the first day of the trial at the Criminal Justice Center in Munich ... things happen But - I will leave that for you to read on your own! I don't want to spoil anything only a few not-too-spoiling-points:- Nikki's relationship with her best friend Ollie is still not back to what it used to be- Damien and Nikki - very sexy - visit a Munich night club- there will be another club night in LA with Nikki pretty drunk - we meet Nikki's other best friend and room-mate Jamie again, and Evelyn, Giselle and Lisa...- Sofia is still making problems for Damien and Nikki- Nikki is thinking about opening her own business - thinking - and doing something about it - some new secrets come to light- Nikki receives some very unpleasant letters and gifts Sticks, stones, gossip - I will weather it all if he is at my side.
