are most definitely MUST READ BOOKS! Von Cassandra My emotions are still all over the place and I've finished it at 3:30 am in the morning. Just like in book 1 I've cried a lot. My heart was breaking and I was overly emotional. Corinne Michaels knows how to write a stunning story that captures you totally and takes you on a rollercoaster ride. With the new development, everything changes dramatically and once again it's Aaron who is standing between them. The question now is what do they really want and is it worth the fighting. I can't even begin to understand what Lee and Liam are going through. Yet Corinne Michaels has the outstanding talent to write it like you are the character. You feel, you break, you cry, you scream, you laugh. She could have made it easy on her characters, but she didn't. She sent them on a rollercoaster ride like no other. It doesn't make them weak, only stronger. There's even more character development than in book one. These are most definitely MUST READ BOOKS! You are missing out on a great author if you don't! There's so much I want to say, but can't. Words would fail this beauty!

Es knüpft nahtlos am Cliffhanger des vorigen Bandes an, und die Leser erfahren hautnah und sehr emotional, wie Natalie sich zwischen ihrem Freund, der inzwischen die Vaterrolle bei ihrer Tochter übernommen hat, und dem "von den Toten auferstandenen" Ehemann entscheiden muss. Wenn man denkt, alles ist gelöst, kommen wieder neue Probleme, ganz toll beschrieben, der Leser befindet sich auf einer Achterbahn der Gefühle.

Kurzbeschreibung Book two of two in the Consolation Duet I fell in love with Liam only to be left shattered into a million pieces. Again. The idea of being without him cripples me but the reality is, he's gone. He doesn't understand and I can't make him. If only he'd see the conviction behind my words then he'd still be here.
