Von Ava Miles : Country Heaven (Dare River Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Country Heaven (Dare River Book 1) (English Edition):

A little gem among the romance books Von Hoener, Birgit Bad-ass country singer, disowned by his posh family for following his dreams, hires a cook for a tour - yes we know where this is leading, of course, but the way this story was told was heartbreaking, funny, amusing and sad, and made this a really really enjoyable little gem for the reader. There is drama,

old hurts not forgiven, there are hilarious dialogues that will make you chuckle, there are intense moments where you suffer along with the protagonists when they have to face their past, right old wrongs, and change old habits. There was a tad too much drama for my taste in the last couple of chapters, but otherwise everything came together just right in this book, which - luckily for me - was only the first in a series. Of course I want to know what happens to the rest of the gang! Oh and I absolutely adored the recipes! 0 von 0 Kunden fanden die folgende Rezension hilfreich. schnes Buch Von Lau Tolles Buch, besonders weil immer wieder leckere Rezepte zu Beginn eines Kapitels beschrieben werden! Die Geschichte ist relativ einfach gestrickt, aber die Charaktere haben Tiefgang und die Storyline ist angenehm :) Auf den Inhalt gehe ich nicht nher ein, wer Country Music und Kochen mag, fr den ist das Buch ein wahrer Genuss :) 0 von 0 Kunden fanden die folgende Rezension hilfreich. Lektre fr Romantiker Von skuh Ein Liebesroman, der nicht nur hervorragend unterhlt, sondern auch noch Appetit macht. Ich freue mich schon sehr auf die Fortsetzung.

Kurzbeschreibung Millions of readers have fallen in love with Ava's bestselling books...come join the family. International Bestselling Author Ava Miles presents a sweet and emotional love story about two people who should be wrong for each other but turn out to be so right. Chosen as Best Book of the Year and connected to Avas bestselling small town Dare Valley series, this romance will warm your hearts and curl your toes. When famous--and infamous--country singer rock star Rye Crenshaw saunters into the diner where she cooks, Tory Simmons is certain she's got him pegged. He's a bad boy Alpha male who indulges himself in all things, women included. But while she couldn't care less about country music or arrogant men, Rye makes her an offer she can't refuse when he asks her to be his private chef on his multi-city concert tour. The job is the answer to all her prayers: it will clear out her debt and finance the fresh start she desperately needs. Rye is certain his sassy new cook is the last woman who'd ever tempt him, but spending time with the wholesome girl next door will do wonders for his damaged public image, whether she likes being forced into the spotlight or not. Her food also happens to be the best he's ever eaten, both comforting and seductive. But spending time with Tory on the road shows him a new side to her--one that's as impossible to resist as her food. And when an emergency in his family whisks him home, he does the one thing he's never risked: he lets a woman into his heart... Soon the emotions Rye faked for the tabloids become all too real, but will the country heaven he's found in Tory's arms survive in the real world? PRAISE: "Ava's story is witty and charming."
