**Von Tessa Bailey : Crashed Out (Made in Jersey)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Crashed Out (Made in Jersey):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Big SIGHS, wet panties and my little heart overflowing with love!Von Cassandra55555555 hot sizzling stars!!!! Big SIGHS, wet panties and my little heart overflowing with love! Awesome once again!!!!Geez, panties are definitely not needed for this newest Tessa Bailey book! And like always with Tessa Bailey not only can you expect an interesting

story, but also very hot sexy times! Oh boy, she's definitely on a mission with that one. Sarge has been in love with his older sister best friend forever. When he returns to Hook for a band break to see his sister, he also knows Jasmine will be there. Maybe seducing her into a one time thing and getting her out of his system will help him with this obsession. Yeah, right, has that ever worked? Jasmine is happy for her friend that her little brother is back. But after 4 years, nothing is little about Sarge anymore. Being an older woman she shouldn't lust after him or recognise how his features have grown all manly, right? He portrays everything that she ever wanted...a career in the music industry. This just adds another argument for her to stay away from him. When her best friend ask her for help, who is she to say no? Sarge is very determined to convince Jas hehehe and I love that he doesn't give up! And they way he treats his ladies (Jas, River and his niece)? OMG!!!!!! And let's be honest...his promise on being younger and needing it more and more often??? Well, yeah, there go the panties! Tessa Bailey sucks you into her stories and you can't really stop until you finish. As always her writing is amazing and the story flows from the beginning to the end. I can't wait for the next book in this series!

Kurzbeschreibung Jasmine Taveras is the reason Sarge Purcell grabbed his six-string and bailed the hell out of New Jersey four years ago. She's the fuel for every song he's ever written-each one laced with bitter, hard-edged, hungry lust. Now, with his hugely successful band on temporary hiatus, Sarge is determined to prove to Jasmine that this "kid" turned into every inch the man she's always needed...Men are slim pickings for a single factory girl in Hook, New Jersey...until tall, broad-shouldered hotness walks-or rather storms-into Jasmine's life. Sarge's return shouldn't affect her this way. He's her best friend's much younger kid brother, and the kind of rough, gritty, sexiness Jasmine has no right to taste for herself. Even if he lets her. But lust is a blinding, insatiable force. And when it crashes, it will take both Sarge and Jasmine down with it...Each book in the Made in Jersey series is a standalone, full-length story that can be enjoyed out of order. Series Order: Book #1 Crashed Out Book #2 Thrown Down Book #3 Worked Up Book #4 Wound Tight
