And Crashed was an amazing solution!After reading the first two books I couldn't imagine falling in love with Colton Donovan even more but... He quickly became my favorite book boyfriend. And Rylee Thomas was one of the best heroines for me. It is rare for me

to love both lead characters in a book, but those two were awesome. The prologue killed me again! There is nothing more I can say about it. Crashed was fast-paced, but in no way rushed. It was really thrilling. Sometimes I didn't know how to bear reading on, because the emotions were so strong and overwhelming. In addition to the passionate love story of Rylee and Colton, this final installment was also suspense-packed. I couldn't put it down. It was absolutely stunning! I cannot recommend this series enough. It really is a must read! Really!

Alles wird wieder gut, ihre Liebe ist stärker als zuvor, als Tawny wieder eine Bombe fallen lässt. Diesmal schafft sie es jedoch nicht, einen Keil zwischen Rylee und Colton zu treiben, aber es herrscht nicht lange Ruhe bevor das nächste Unglück passiert. K. Bromberg beschreibt sehr gut Coltons und Rylees nächste, ob er wieder Rennen fahren kann und ob sie es ertragen kann, ihm bei einem Rennen zuzuschauen. Ein weiterer Höhepunkt ist das Kapitel, als Colton Rylee von seiner Kindheit erzählt. Die letzten Kapitel zeigen, dass Colton doch romantisch ist, und auch die beiden Epiloge lassen die Tränen fließen. Eine tolle Serie, die jetzt noch durch Coltons POV in einem vierten Band ergänzt wird. Ich freue mich drauf.

Konnte die Übersetzung nicht abwarten Von Momi Nach dem Ende des zweiten Buches konnte ich die deutsche Übersetzung nicht abwarten und habe mir die Originalversion gekauft. Das Buch lässt sich gut lesen, allerdings fand ich die Sprache doch etwas befremdlich. Das war sehr berschwenglich und ich habe mir gedacht, dass die Übersetzerin der ersten beiden Bände das ganze doch etwas herunter gefahren und dem deutschen Geschmack angepasst hat. Vom Inhalt her ist es die logische Weiterführung der ersten Bände. Jetzt habe ich den 5. Band gelesen und da ist die Sprache angenehmer.

Kurzbeschreibung New York Times and USA Today Bestseller Book #3 of The Driven Trilogy When life crashes down around us, how hard are we willing to fight for the one thing we can't live without, each other? Life is full of moments. Big moments. Little moments. And none of them are inconsequential. Every single moment prepares you for that one instance that defines your life. You must overcome all your fears, confront the demons that chase you, and cleanse the poison that clings to your soul or you risk the chance of losing everything. Mine started the minute Rylee fell out of that damn storage closet. She made me feel. Made me whole when all I thought I could ever be was incomplete. Became the lifeline I never knew I needed. Hell yes, she's worth the fight but how do you fight for someone you know you don't deserve? Love is full of ups and downs. Heart stopping highs. Soul shattering lows. And none of them are insignificant. Love is a racecourse of unexpected twists and turns that must be negotiated. You have to break down walls, learn to trust, and heal from your past in order to win. But sometimes it's the expected that's the hardest to hold on to. Colton has healed and completed me, stolen my heart, and made me realize our love's not predictable nor perfect. It's bent. And bent's okay. But when outside factors put our relationship to the test, what lengths will I have to go to prove to him that he's worth the fight? Whoever said love is patient and love is kind, never met the two of us. We know our love is worth it. I have acknowledged that we were meant to be but when our pasts crash into our future, will the repercussions make us stronger or break us apart? \*Advanced Praise for Crashed\* Absolute hands down perfect finale! - Schmexy Girl Book Blog "I have never felt so much with one story absolutely brilliant...
