 Klasse! Von Nicole So ist das mit Beurteilungen - sie sind durchaus hilfreich, aber manchmal leiten sie einen auch in die falsche Richtung. Aufgrund einiger negativen Kommentare war ich geneigt, die Serie hier abzuschließen und den Bergang auf die neue Generation und die neuen Feinde der Breeds links liegen zu lassen. Klang es doch etwas abgedroschen, da da jetzt plötzlich eine andere unsterbliche Rasse sein sollte und so richtig prickeln wollte es bei dem Gedanken an die Kids der Order auch nicht. Die folgenden Teile versprachen mir zu wenig Spannendes und die Beurteilungen lasen sich eher nach liebloser geldschindender Fortsetzung. Sakra, bin ich froh, da die Neugierde und meine Begeisterung für diese Serie und insbesondere die Hunters dann doch gewonnen hat. Wunderschn geschrieben ist dieses Buch in der Reihe inzwischen zu meinem Lieblingstitel aufgestiegen! Die Verbindung zwischen Nathan und Jordana legt den Grundstein für Spekulationen, die einen nichtlang beschäftigen können, öffnen Tür und Tor für Kampf und gleichzeitig auch für Hilfe und Unterstützung. Jordana kann helfen und ist aber auch gleichzeitig der Grund, warum es speziell der Order künftig nicht an Auseinandersetzung der härteren Sorte mangeln wird - ich freue mich schon auf das nächste Buch! Empfehlung: unbedingt selbst ein Urteil bilden!

 Not just the Lovestory  
 Von spacecurly First of all sorry, english is NOT my first language! As the Midnight Breed series proceeds the Storys still have a Love Story for each couple, BUT in the new Breed Books more sides to the new Danger are also taken into consideration. On the one hand that is great, because we see a lot of characters back, but on the other hand it takes away the main focus of the couple. The Love Story between Crays and Rune is one of a kind. He is not a Breed Warrior and she is not just any Female. She has her own Powers and he has his own weaknesses that can destroy them. The one character I am really not looking forward to in the next books is Lucas Thornes son (and I am really sorry for that). This guy is too much. He equals Gideon in tech stuff, has excelled in combat Training under the toughest warrior and his only concern is that daddy does not want him to fight in the Streets. He is not shy to voice his opinion about matters of politics and feels right about them too (sorry dude you are in your twenties, know your stuff about war from books). If it would be up to him, the world would bow to the dictation of the Breed warriors, because they know best and simply are the best. That being said, maybe that guy needs to get his own story and then see where this kind of behavior would lead. (lets hope thats what Lara Adrian had in mind by his current behavior)

 Von Anja Hansen Das Buch hñelt natrlich im Stil den elf Vorgngern, jedoch entwickelt die Autorin stets neue Nuancen. Man kann das Buch gut 'weglesen'.

Kurzbeschreibung  
 With the acclaimed Midnight Breed series, New York Times bestselling author Lara Adrian has written thrilling novels of electrifying romance and heart-pounding suspensepage-turners in which humans and vampires live tenuously side by side. In Crave the Night, Adrian brings the Breed and its world to the brink of war, where even the deepest passion can shatter into violence. Born and raised to be an emotionless killing machine, Nathan is one of the most lethal Breed vampires in existence. A key member of the Orderan elite group of warriors charged with protecting both mortals and vampiresNathan executes each mission with flawless precision and a total lack of mercy. Now he must pursue a powerful, hidden enemy. But Nathans hard discipline and training are no match for the fierce pull he feels toward a young woman he has no right to desirea woman of wealth and high social standing who has long been promised to another Breed male, and who may also prove to be the key to rooting out Nathans elusive quarry. Jordana lives a life of glittering privilege as a member of a prominent Breed family in Boston. Surrounded by fine things and fawning admirers, Jordana wants for nothinguntil she crosses paths with a dark, intense warrior from the Order and finds herself swept into an impulsive, sizzling kiss that neither of them will forget. As much as she tries to deny her deep feelings for Nathan, Jordana cannot resist the craving to be near him, to break through his forbidding walls and see the man he truly is. But getting close to Nathan will thrust Jordana into a treacherous new world, forcing her to risk all she has and all she knows about herself and her past. And loving this seductive man could be the most dangerous temptation of all. Praise for Lara Adrians Midnight Breed novels
